(3) That all adjacent uses of property shall be indicated in approved site plan.

(4) That all means of ingress and egress shall be as indicated on the approved site plan.

(5) That all streets, service drives, parking areas and alleys shall be paved and drainage structures and curbs and gutters installed in accordance with the City of Mesquite requirements and as indicated on the approved site plan; and that the developer shall bear the total cost of all such improvements.

(6) That off-street parking facilities shall be provided as indicated on the approved site plan, and shall not be less than the requirement of Ordinance No. 120 for each use and occupancy.

(7) That the width of all streets and right-of-way shall be in conformance with the City of Mesquite thoroughfare and street plan and shall be indicated on the approved site plan, dedicated and improved to the minimum requirements of the City.

(8) That all utility services shall be shown on site plan and shall conform to the City's specifications and be as approved by the City's Engineer.

(9) The City of Mesquite water and sanitary sewer lines shall be extended to and service shall be made available at the cost of the owner and developer and shall be in accordance with the City's specifications and regulations.

(10) That no signs or billboards other than those pertaining to the occupancy of the premises or commodities sold thereon shall be permitted, and such allowable signs shall be of the parapet wall, marquee or flat wall type, except that in the event a gasoline filling station is approved for location on the property, a standard pole sign not exceeding thirty-six (36) square feet shall be permitted for the filling station. No sign or billboard shall be permitted of a flashing or intermittently lighted type. That the location of any sign other than as stated above shall be first approved by the City Planning and Zoning Commission.

(11) That proper screening shall be provided on the West between the shopping center and the area shown as a park.

(12) That all storage facilities, whether inside or outside, shall be designated on approved site plan.
