"With approval of the City of Mesquite, 30 cu. yd. open top containers are available for certain commercial establishments at the rate of One Dollar (\$1.00) per cubic yard of the capacity of the container (service collection fee for a 30 cu. yd. container would be Thirty Dollars (\$30.00) each time the container is emptied, whether or not the container is completely full).

"(d) Commercial and industrial stationary compaction service is available upon request. The lease cost of such equipment will be established by contractual agreement between the customer and the City and a service collection fee will be required in the amount of One Dollar (\$1.00) per cubic yard of the capacity of the compactor (service collection fee for a 42 cu. yd. compactor would be Forty-Two Dollars (\$42.00) each time the compactor is emptied, whether or not the compactor is completely full).

SECTION 2.
