Bidders are directed to revise and incorporate into their bid the following answers to questions posed during the allotted Q & A timeframe:

**QUESTIONS & ANSWERS:**

**Question 1:** “After reviewing all the documents, I wanted to clarify the submittal instructions. Do the proposal submittal requirements require both a hand-delivered (original/USB) and an electronic submission? Or if firms submit on BidNet electronically, we do not need to submit a hand-delivered original/USB?”

“Proposal Submission: Proposals must be received as one (1) marked “original” plus one (1) digital copy on a USB flash drive, on this form, prior to the closing date and time to be considered. **(This does not apply to proposals submitted electronically via BidNet Direct.)**”

**Answer:** **Correct, if you submit on BidNet Direct electronically you DO NOT have to hand deliver a copy with a flash drive.**
