# Introduction

## Tax Increment Financing Program

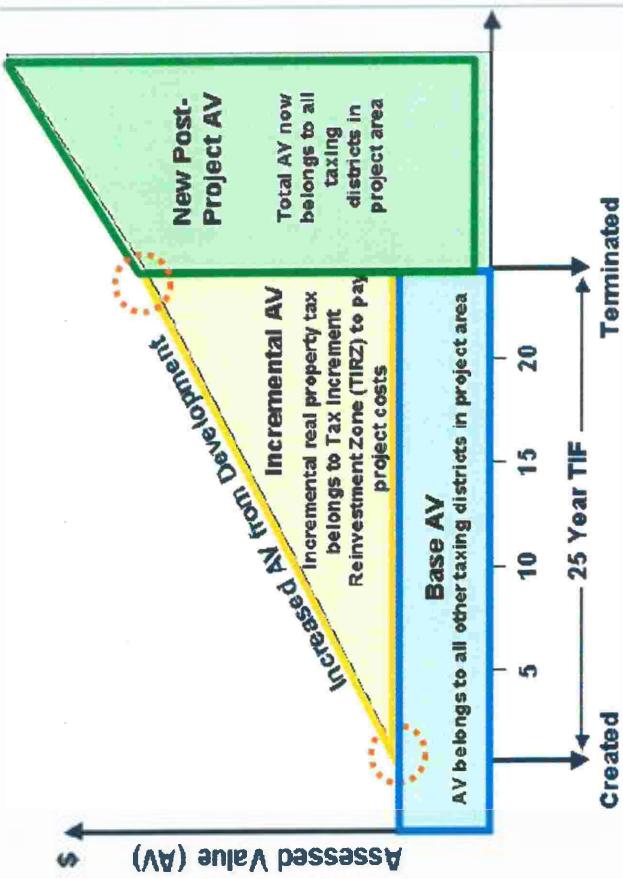

Chapter 311 of the Texas Tax Code (the TIRZ Act) authorizes the governing body of a municipality to promote redevelopment of a contiguous or noncontiguous geographic area by designating it a Tax Increment Reinvestment Zone (TIRZ). The future value of private investment within a TIRZ is leveraged to finance public improvements, to enhance existing public infrastructure, and to maximize the benefits of other incentive tools. Public investment in TIRZ, using tax increment as a financing mechanism, stimulates private sector investment in areas of the City that would not otherwise attract market interest. Taxing entities, including school districts, can opt in at a participation rate of their choosing, electing to contribute 0% to 100% of their tax increment into the zone.

### Key Points:

- Chapter 311 of the Texas Code controls all procedures for the creation of a TIRZ
- Base Value is assessed value in year TIRZ is designated (as of January 1)
- Development over time increases value
- Higher assessed value results in additional real property tax revenues

Once a TIRZ has been established, incremental real property taxes resulting from new construction, public improvements and redevelopment efforts accrue to the various taxing entities. Local taxing entities retain the right to determine the amount of the tax increment. The City enters into written Interlocal Agreements with all participating taxing entities to specify: (1) the conditions for payment of tax increment into a tax increment fund, (2) the portion of tax increment to be paid by each entity into the tax increment fund, and (3) the term of the Interlocal Agreement.

The amount of a taxing unit's tax increment for a year is the amount of property taxes levied and collected by the unit for that year on the "captured" appraised value of real property taxable by the unit and located in the TIRZ. Captured appraised value is the total appraised value of all real property taxable by the unit and located in a TIRZ for that year less the total appraised value of taxable real property in the base year (the year in which zone was designated by ordinance).

Note: The above Chart is for illustration purposes only. The Term of the TIRZ is 45 Years.

### Board of Director Responsibilities

The TIRZ Board prepares and adopts a project plan and a reinvestment zone financing plan and submits the plans to the City Council that designated the zone. Once a TIRZ project and financing plan has been approved by the City Council, the Board monitors the ongoing performance of the TIRZ by reviewing the construction status of proposed public improvements and amenities, reviewing the status of the tax increment fund, approving amendments to the project and financing plan, and recommending certain actions by City Council related to the TIRZ. The TIRZ Board must comply with the Texas Open Meetings Act as well as with all subsequent City Code provisions for City Boards and Commissions, to the extent that there is no conflict with the TIRZ Act.

## Actions Taken to Date

On March 22, 2018, The Nehemiah Company, developers of the 2,000 acre Viridian master planned community in Arlington, Texas met with City officials regarding the potential to develop 622 acres of property owned by the Spradley Family located within the City limits along I-20 between FM 2757 and FM 740 in Kaufman County. The land had been annexed into the City in 2006 and was zoned Agriculture.

On February 18, 2019, the City Council was briefed on plans for a high-end master planned development called “Spradley Farms” and the Developer requested City Council support of legislation to create a municipal management district as part of the development financing structure for Spradley Farms, similar to the Developer’s highly successful Viridian model.

On March 4, 2019, the City Council passed Resolution 2019-14 giving consent to publicize and deliver a notice of intent to introduce a bill relating to the creation and powers and duties of the Spradley Farms Improvement District of Kaufman County, Texas (the “District”). The consent was required by the Texas Constitution for the District to be created under State law.

On April 1, 2019, the City Council passed Resolution 2019-29 to document support for special legislation in the 86th Texas Legislature for creation of the District.

On May 2, 2019, House Bill 4763 was introduced in the 86th Texas Legislature to create the District; however, the Bill was not heard on the floor before the Session ended (“adjourned Sine Die”). Shortly thereafter, the Owner and Developer expressed a desire to create the District by order of the Texas Commission on Environment Quality (TCEQ) and create a Tax Increment Reinvestment Zone to promote development of the 622-acre site.

On September 3, 2019, the City Council held a public hearing to consider creating Reinvestment Zone Number Thirteen for a term of 35 years, expiring on December 31, 2054.

On September 16, 2019, the City Council passed Ordinance 4713 creating Reinvestment Zone Number Thirteen, City of Mesquite, Texas (Spradley Farms). The City’s portion of tax increment to be paid into the TIRZ Fund was left undesignated and was to be designated by the ordinance approving the reinvestment zone financing plan in accordance with Section 311.013(l) of the Act.

On September 16, 2019, the City Council passed Resolution No. 68-2019 giving consent and support to the creation of the District by the TCEQ, provided that a Master Development Agreement (MDA) between the City and Spradley Farms be executed within 150 days.

On November 4, 2019, the Owner submitted a petition to the TCEQ to create the District.

On November 4, 2019, the TIRZ Board adopted, and recommended approval by the City Council, a Project Plan and Reinvestment Zone Financing Plan that identified \$230 million in project costs for financing District issued bonds to fund public infrastructure related to the development at a City tax increment participation rate of 70 percent of property tax collected within the Zone. The Board also passed a resolution authorizing the Board Chairman to execute a Master Development Agreement between the TIRZ Board, City and Spradley Farms, LTD.

On November 4, 2019, the City Council passed Resolution No. 74-2019 by a 4-3 vote authorizing the City Manager to finalize and execute a Master Development Agreement (MDA) between the City, TIRZ Board and Spradley Farms, LTD, which specified the responsibilities and obligations of the Owner to develop Spradley Farms. The District would become a party to the MDA

## Actions Taken to Date

through a “joinder agreement” once the District was created by order of the TCEQ.

On November 4, 2019, the City Council passed Ordinance No. 4734 by a 4-3 vote approving the Board recommended Project Plan and Reinvestment Zone Financing Plan to dedicate 70 percent of tax increment collected within the Zone for a period of 34 years from an initial deposit commencing in 2021. TIRZ revenues were capped at the expiration of 35 years from the date the TIRZ was created and upon termination of the Zone, ownership and maintenance of District improvements would be conveyed to the City per the MDA.

On November 4, 2019, the City Council held a public hearing and passed Ordinance No. 4739 approving a change of zoning for 622 acres of the development from Agriculture to Planned Development on two of the three tracts of land owned by Spradley Farms, LTD.: (1) a 613.573-acre tract located south along IH-20 would contain 2,513 residential units, and (2) a 8.426-acre tract located north along IH-20 that was planned for commercial/mixed use. Both tracts are located within the TIRZ and coterminous with the boundary of the proposed District.

On January 6, 2020, the City Council passed Resolution No. 01-2020 repealing Resolution No. 68-2019 and their support to the creation of the District by the TCEQ until such time that City staff and the Developer could further refine certain financing elements and possibly reduce the amount of TIRZ revenue used to finance public infrastructure costs without diminishing the overall quality of the proposed development.

On February 10, 2020, Spradley Farms, LTD. filed suit seeking injunctive relief to reverse the City’s repeal of support at the TCEQ. The City and Developer began mediation on May 11, 2020, and later agreed to new financing terms to allow the development to move forward.

On June 8, 2020, the City Council approved the new financing arrangements in the form of a “Rule 11 Agreement and Settlement Agreement.” As part of the Rule 11 Agreement, the City Council agreed to pass a resolution to authorize the City Manager to finalize and execute an Amended and Restated Master Development Agreement, amend the TIRZ Project Plan and Reinvestment Zone Financing Plan, pass a resolution to support the creation of the District at the TCEQ, and other related settlement documents such as support letters to the TCEQ and Kaufman County.

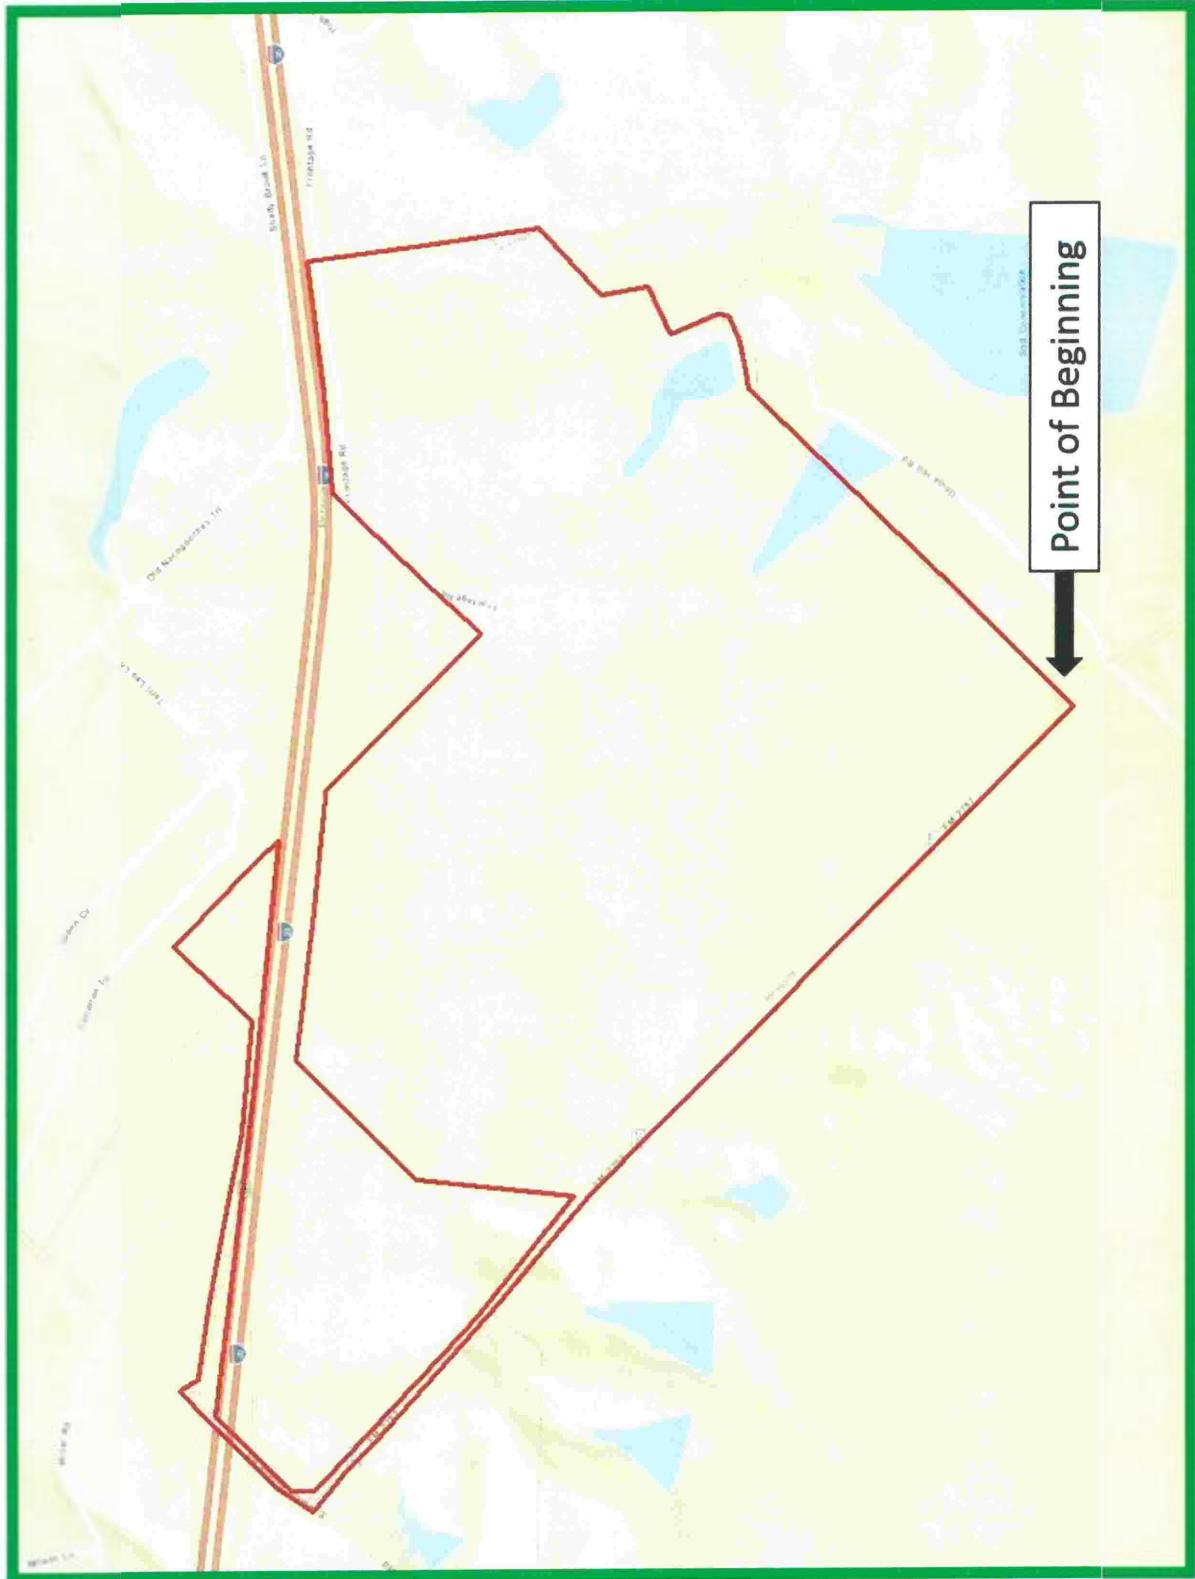

On June 9, 2020, the City sent a letter to the TCEQ requesting that the TCEQ withhold action on the Owner’s application pending the City Council’s approval of the settlement documents.

### TIRZ Board Findings and Recommendation

On July 6, 2020, the Board prepared and adopted this *Amended Project Plan and Reinvestment Zone Financing Plan for Reinvestment Zone Number Thirteen, City of Mesquite, Texas (Spradley Farms)*, incorporating the Developer’s revenue and development assumptions in accordance with the terms and conditions of the Amended and Restated Master Development Agreement between the TIRZ Board, City and Spradley Farms, LTD. This Plan obligates 60 percent of the City’s ad valorem tax increment to reimburse District public improvement costs that benefit the Zone up to a maximum of \$159,000,000, and extends the term of the Zone an additional 10 years to expire on December 31, 2064.

The Board further finds that this Amended Project Plan and Reinvestment Zone Financing Plan is economically feasible, and recommends approval by the Mesquite City Council.

## Current Land Uses and Conditions

### Existing Uses and Conditions

The TIRZ is located in Kaufman County and wholly within the City of Mesquite. The Property is undeveloped, and there is no public infrastructure to support development. Development will require extensive public infrastructure that: (1) the City cannot provide; and (2) will not be provided solely through private investment in the foreseeable future. If the Property were to be developed today, it would be developed consistent with the terms of the Amended and Restated Master Development Agreement. Maps of current land use and zoning are shown on the next three pages.

### Current Property Ownership

Spradley Farms, LTD. owns 797 acres on three tracts, depicted to the right, and two tracts totaling 622 acres are currently located within the boundary of the TIRZ and proposed Municipal Management District. The total appraised value of taxable real property is \$76,740. It is estimated that upon expiration of the term of the Zone, the total appraised value of taxable real property in the Zone will be more than \$870 million.

## Zoning

### Planned Development (PD)

The majority of the land within the TIRZ is currently vacant and was rezoned on November 4, 2019 from Agriculture to Planned Development (shaded in gray) by Ordinance No. 4739. The Master Plan (below) shows the general layout of the 613.5-acre Tract 1 which is zoned for residential and non-residential uses including commercial development of the Town Center area. The Plan includes 109 acres of park and open space and over 330 acres for 1,884 single-family residential homes and 629 townhomes.

### Proposed Changes of Zoning, Ordinances and Regulations

No changes are anticipated to existing zoning ordinances, the master plan of the municipality, building codes, other municipal ordinances, and subdivision rules and regulations. A Municipal Management District will operate as a conservation and reclamation district under State law and will serve the property as a political subdivision of the State of Texas and in accordance with the Amended and Restated Master Development Agreement.

A 622-acre master planned community will be developed by The Nehemiah Company in 10 phases over a 14 year period and will consist of 2,513 residential lots with projected average home values ranging from \$235,000 to \$580,000. The residential mix includes 629 townhomes on 22-foot width lots beginning at \$235,000; 502 homes on 35-foot width lots beginning at \$285,000; 502 homes on 40-foot width lots beginning at \$305,000; 402 homes on 50-foot width lots beginning at \$360,000; 301 homes on 60-foot width lots beginning at \$395,000; and 177 homes on 70-foot width lots beginning at \$485,000.

This project and financing plan identifies \$159 million in public infrastructure improvements to be reimbursed by the TIRZ. The City will participate in the TIRZ through the contribution of 60% of the City's real property tax increment generated within the Zone for the entire 45 year term of the Zone, and it is anticipated that Kaufman County will also participate at a rate of 55% of the County's real property tax increment generated within the Zone for 35 years upon execution of a TIRZ Tax Participation Agreement.

The types of businesses that may develop have not yet been identified and those decisions will be market driven, but a depiction of what the site could look like is shown below.

### Designation of Additional Property to be Acquired by City

At the time Phase 1 is completed, the Owner has agreed to convey and dedicate to the City a 3-acre site within the Zone with direct access to FM 2757 for the City to construct a future Fire Station to serve the area. The City has five years from the time the Phase 1 plat is filed with Kaufman County to construct the Fire Station or the property will revert back to the Owner.

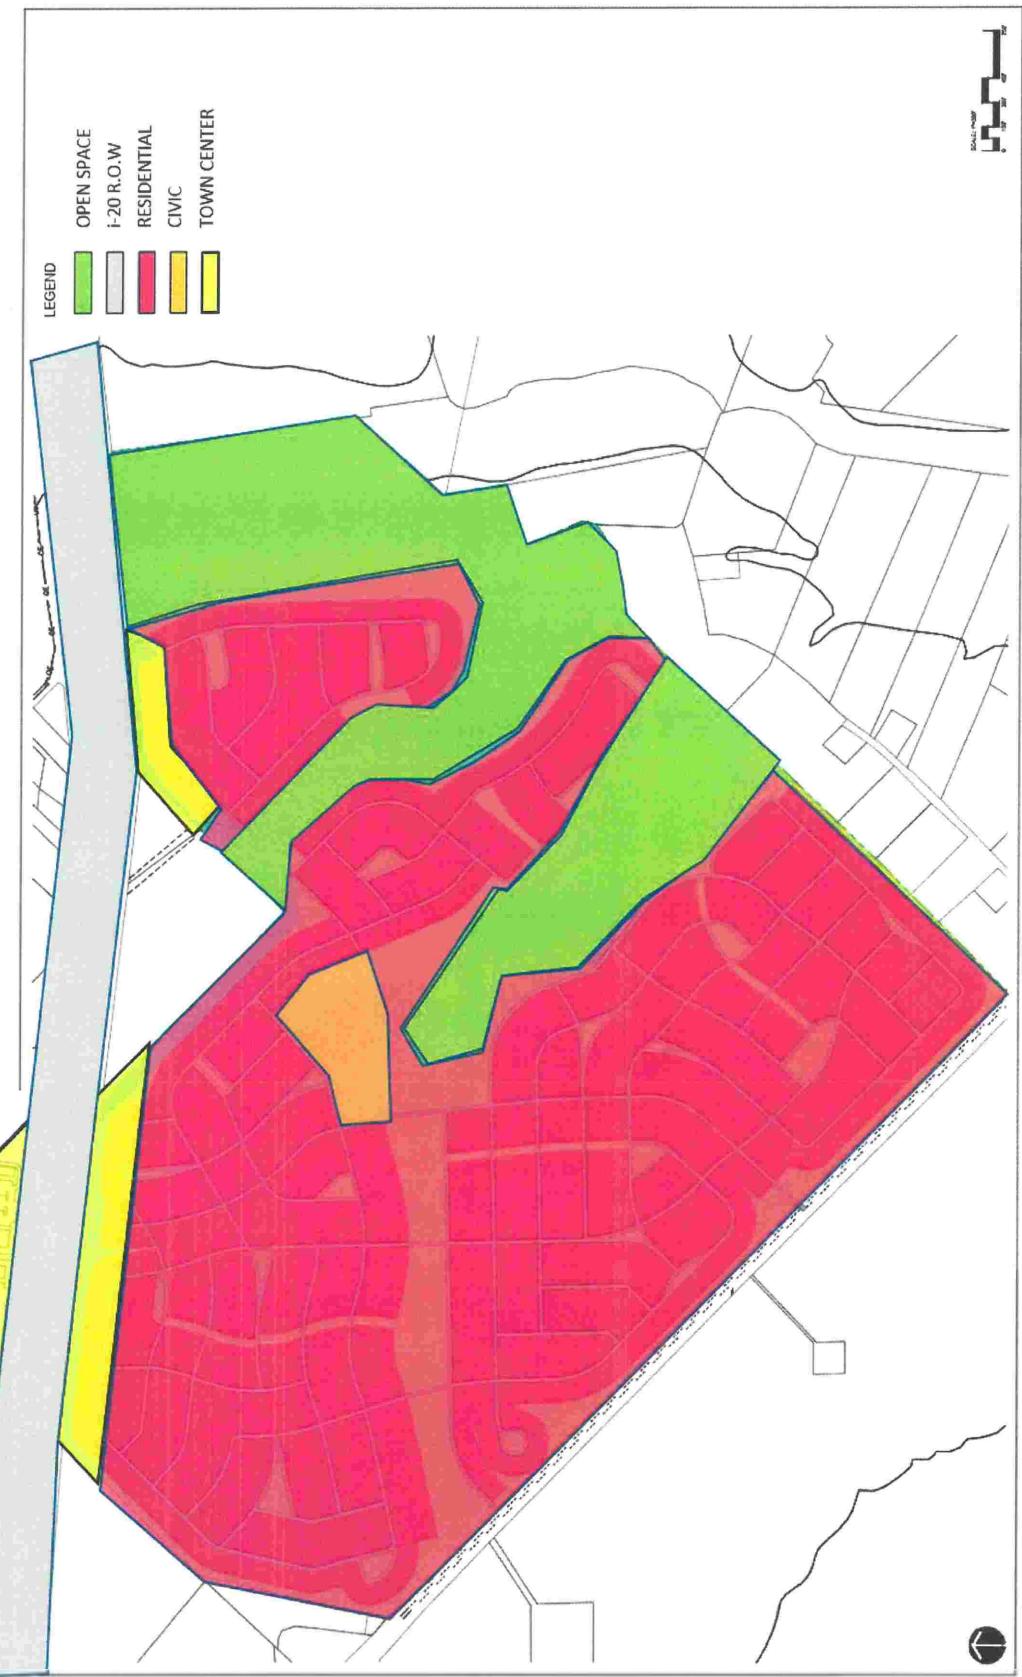

Northern 8.4-acre Commercial Parcel (Tract 2)

### Proposed Commercial Uses

A 8.4-acre tract north of the residential tract and across IH-20 will be developed for commercial uses. These uses will be generally subject to the same requirements applicable to uses in Light Commercial Districts as allowed by the Mesquite Zoning Ordinance, and are designated as "Town Center" on the Developer's Concept Plan. The following uses, however, are prohibited from development on this tract: Special Trade Contractors, Manufacturing Uses, Railroad Passenger Terminals, Variety Stores, Tobacco Stores, Alternative Financial Establishments, Limited Service Hotels, Funeral Services and Crematories.

# Economic Feasibility

## Economic Feasibility Study

In June 21, 2019, the Developer, Spradley Farms, LTD., engaged Tracy Cross & Associates to conduct an economic feasibility study to evaluate the market potential for residential development along Interstate Highway 20, east of FM 740 in Kaufman County.

The feasibility study established conclusions regarding the overall marketability of 2,500 single-family homes and townhomes to be developed within a large-scale, master-planned community, and based on these conclusions, the Developer engaged David Pettit Economic Development, LLC in August 2019 to create a preliminary financing plan for a reinvestment zone and those revenue assumptions and forecasts were incorporated into the Project Plan and Reinvestment Zone Financing Plan approved by the City Council on November 4, 2019.

In June 2020, Ryan Nesmith, with Robert W. Baird & Co. Incorporated, in cooperation with the City's Financial Advisor, updated the analysis in response to requirements of the May 2020 mediation. The revenue projections beginning on Page 20 summarize the revised estimated captured appraised values of the Zone during each year and the net benefits of the Zone to each of the local taxing jurisdiction.

## Method of Financing

The TIRZ Board prepared and adopted this Amended Project Plan and Reinvestment Zone Financing Plan to extend the term of the TIRZ an additional ten years to expire 45 years from the date the TIRZ was established, as may be modified by an amendment to the TIRZ Plan (or 45 annual payments to District).

In accordance with the Amended and Restated Master Development Agreement between the TIRZ Board, City and Developer, the City will contribute 60% of the City's real property tax increment generated within the Zone for the entire 45 year term of the Zone, and it's anticipated that Kaufman County will also participate at a rate of 55% of the County's real property tax increment generated within the Zone for a 35 year period upon execution of a TIRZ Tax Participation Agreement.

## MMD and TIRZ Revenues

Additionally, a Municipal Management District (MMD) is anticipated to be created by order of the Texas Commission on Environmental Quality (TCEQ) with contiguous boundaries of the TIRZ. The *Spradley Farms Improvement District of Kaufman County* (District) can also levy ad valorem tax on property within the District to provide additional financing of District costs. TIRZ Revenue, along with District revenue, will be available to finance the project costs pursuant to the Amended and Restated Master Development Agreement.

Before and until the District issues TIRZ GO Bonds, TIRZ Revenue will be used or reserved by the District to pay or reimburse District costs up to the TIRZ Cap or the Reimbursement Cap as defined in the Agreement.

When TIRZ GO Bonds are issued, TIRZ Revenue will be used by the District to pay principal and interest on the bonds in the amounts pursuant to the agreed upon flow of funds set forth in the Agreement:

- First, available TIRZ Revenues will be deposited to any District Revenue Fund as set forth in the bond documents for each series of TIRZ GO Bonds, in amounts equal to the pro rata share of the available TIRZ Revenues allocable to each series of TIRZ GO Bonds computed on the basis of the percentage of the District's ad valorem tax rate levied for debt service on the each Series of TIRZ GO Bonds issued for utility purposes and road purposes for each Bond Year;
- Second, the District will assess a total combined debt service tax rate no less than \$0.38 per \$100 of assessed valuation for the payment of debt service on all outstanding TIRZ GO Bonds. Available TIRZ Revenues will then be used to pay debt service in the amount necessary to pay debt service on the outstanding TIRZ GO Bonds net of the revenues generated from the District's ad valorem tax levy;
- Third, available TIRZ Revenues will be deposited into each bond series Debt Service Reserve Fund in an amount to cover 30% of the debt service requirements for all outstanding TIRZ GO Bonds for the subsequent fiscal year;

# Economic Feasibility

## MMD and TIRZ Revenues Continued

- Fourth, the amount of Available TIRZ Revenues not needed to fund the payment of debt service pursuant to (ii) or (iii) above, shall be transferred to the Excess TIRZ Revenue Fund; and
- Fifth, no later than November 15 of each year, any amounts on deposit in the Excess TIRZ Revenue Fund shall be deemed excess for the purposes of the payment or reimbursement of TIRZ project costs for that year and the excess TIRZ Revenues would be transferred to the City and County proportionate to their contributions.

### Duration of TIRZ Revenues

The grant, dedication and provision of available TIRZ Revenues shall continue until the TIRZ Cap has been reached, or until the District no longer has outstanding bonds or contractual obligations payable from ad valorem taxes and/or TIRZ Revenue.

### Reimbursement Cap

Per the Amended and Restated Master Development Agreement, the District shall not issue bonds or receive TIRZ Revenues in an amount that would cause the Developer to receive reimbursement for District Costs (including any Developer interest carry costs) in excess of the Reimbursement Cap.

## SECTION 2. FINDINGS.

That the City Council, after conducting the above described public hearing and having heard the evidence and testimony presented at the public hearing, has made the following findings and determined based on the evidence and testimony presented to it:

(a) That the public hearing on the creation of the Proposed Zone has been properly called, held and conducted and that notice of such hearing has been published as required by applicable law, including the Act, and that owners of property within the Proposed Zone were given a reasonable opportunity to protest the inclusion of their property in the Proposed Zone; and

- (b) That creation of the Proposed Zone with boundaries as described and depicted in Exhibits "A" and "B" will result in benefits to the City, its residents and property owners, in general, and to the property, residents and property owners in the Proposed Zone; and
- (c) That the Proposed Zone, as described and depicted in Exhibits "A" and "B," meets the criteria for the creation of a reinvestment zone set forth in the Act in that:
- (1) It is a geographic area located wholly within the corporate limits of the City; and
- (2) The area is predominately open, unproductive and undeveloped and, because of the lack of necessary public improvements and other facilities, substantially impairs the sound growth of the City; and
- (d) That thirty percent (30%) or less of the property in the Proposed Zone, excluding property that is publicly owned, is currently used for residential purposes; and
- (e) That the total appraised value of taxable real property in the Proposed Zone, together with the total appraised value of taxable real property in all other existing reinvestment zones of the City, according to the most recent appraisal rolls of the City, does not exceed twenty-five percent (25%) of the current total appraised value of taxable real property in the City and in the industrial districts created by the City, if any; and
- (f) That the improvements in the Proposed Zone will significantly enhance the value of all taxable real property in the Proposed Zone and will be of general benefit to the City; and
- (g) That the development or redevelopment of the property in the Proposed Zone will not occur solely through private investment in the reasonably foreseeable future; and
- (h) That the Proposed Zone will promote development or redevelopment of the economy within the Proposed Zone and develop or expand business and commercial activity within the Proposed Zone; and
- (i) That the Preliminary Reinvestment Zone Financing Plan for the Proposed Zone was prepared prior to the adoption of this Ordinance; and
- (j) That the City Council finds that the Preliminary Reinvestment Zone Financing Plan for the Proposed Zone is feasible.

## SECTION 3. DESIGNATION AND NAME OF THE ZONE.

Pursuant to the authority of, and in accordance with the requirements of the Act, the City Council hereby designates the property located within the boundary description attached hereto as Exhibit "A," and being generally depicted as the area shaded in blue on the boundary map attached hereto as Exhibit "B" as a tax increment reinvestment zone (the "Zone"). The name assigned to the Zone for identification is Reinvestment Zone Number Thirteen, City of Mesquite, Texas (Spradley Farms).

## SECTION 4. BOARD OF DIRECTORS.

- (a) The City Council hereby creates a board of directors for the Zone (hereinafter referred to as the "Board") consisting of seven (7) members all appointed by the City Council. Members of the City Council may serve as Board members.
- (b) The Board members appointed to the Board shall be eligible to serve on the Board if that person is at least 18 years of age and: (1) is a resident of the county in which the Zone is located or a county adjacent to that county; or (2) owns real property in the Zone, whether or not the individual resides in the county in which the Zone is located or a county adjacent to that county.
- (c) The Board shall make recommendations to the City Council concerning the administration, management, and operation of the Zone. The Board shall prepare or cause to be prepared and adopt a project plan and a reinvestment zone financing plan for the Zone (hereinafter referred to as the "Project and Finance Plan") as required by the Act and shall submit the Project and Finance Plan to the City Council for approval. The City Council hereby appoints Mayor Stan Pickett to serve as chairman of the Board for the remainder of calendar year 2019. Before the end of calendar year 2019 and each calendar year thereafter, the City Council shall appoint one member of the Board to serve as chairman for a term of one year that begins on January 1 of the following year. If the City Council does not appoint a chairman during that period, the Mayor of the City is automatically appointed to serve as chairman for the term that begins on January 1 of the following year. The Board may elect a vice-chairman to preside in the absence of the chairman or when there is a vacancy in the office of chairman. The Board may elect other officers as it considers appropriate.

## SECTION 5. DURATION OF THE ZONE.

That the Zone shall take effect immediately upon the passage of this Ordinance, consistent with Section 311.004(a)(3) of the Act, and the Zone shall terminate on the earlier of: (1) December 31, 2054 or an earlier or later termination date designated by an ordinance adopted under Section 311.007(c) of the Act; or (2) the date on which all project costs, tax, increment bonds and interest on those bonds, and other obligations of the Zone have been paid in full, in accordance with Section 311.017 of the Act.

## SECTION 6. TAX INCREMENT BASE AND TAX INCREMENT.

That pursuant to Section 311.012(c) of the Act, the tax increment base of the City, or any other taxing unit participating in the Zone, is the total taxable value, as of January 1, 2019, of all real property taxable by the City or other taxing unit participating in the Zone, and located in the Zone for the year in which the Zone was designated as a reinvestment zone (the "Tax Increment Base"). Pursuant to Section 311.013(l) of the Act, the amount of the tax increment for a year will be determined in the ordinance adopted under Section 311.011 of the Act approving the reinvestment zone financing plan for the Zone calculated on the amount of real property taxes levied and collected by the City, and all or a portion of property taxes of other taxing units participating in the Zone and located in the Zone (as set forth in an agreement to participate in the Zone) for that year on the Captured Appraised Value (defined below) of real property taxable by the City or other taxing unit participating in the Zone and located in the Zone (the "Tax Increment"). Consistent with Section 311.012(b) of the Act, as amended, the captured appraised value of real property taxable by the City or other taxing unit participating in the Zone for a year is the total taxable value of all real property taxable by the City or other taxing unit participating in the Zone and located in the Zone for that year less the Tax Increment Base of the City or other taxing unit participating in the Zone (the "Captured Appraised Value").

## SECTION 7. TAX INCREMENT FUND.

That there is hereby created and established a tax increment fund for the Zone ("Tax Increment Fund"), that may be divided into subaccounts as set forth in the Project and Finance Plan, into which the Tax Increment of the City and participating taxing units, if any, as such increments are described in the Project and Finance Plan and includes administration costs, less any of the amounts not required to be paid into the Tax Increment Fund pursuant to the Act, are to be deposited. The Tax Increment Fund and any subaccounts shall be maintained at the affiliated depository bank of the City and shall be secured in the manner prescribed by law for funds of Texas cities. In addition, all revenues to be dedicated to and used in the Zone shall be deposited into the Tax Increment Fund from which money will be disbursed to pay project costs.
