In lieu of calling the Term Bonds described above, for mandatory redemption, the City reserves the right to purchase such Term Bonds with (a) moneys on deposit in the Interest and Sinking Fund which are available for the mandatory redemption of such Term Bonds or (b) other lawfully available funds.

Upon any such purchase in lieu of redemption, not less than five (5) days prior to a mandatory redemption date, the City shall deliver such Term Bonds to the Paying Agent/Registrar prior to the selection of the Term Bonds for redemption and the principal amount so delivered shall be credited against the amount required to be called for redemption in that year]¹¹

AT LEAST 30 days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, to the Registered Owner of each Bond to be redeemed at its address as it appeared on the close of business on the business day next preceding the date of mailing such notice; provided, however, that the failure of the Registered Owner to receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond. By the date fixed for any such redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof that are to be so redeemed. If such written notice of redemption is sent and if due provision for such payment is made, all as provided above, the Bonds or portions thereof that are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the Registered Owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the Issuer, all as provided in the Bond Ordinance.

IF AT THE TIME OF MAILING of notice of optional redemption there shall not have either been deposited with the Paying Agent/Registrar or legally authorized escrow agent immediately available funds sufficient to redeem all the Bonds called for redemption, such notice

may state that it is conditional, and is subject to the deposit of the redemption moneys with the Paying Agent/Registrar or legally authorized escrow agent at or prior to the redemption date, and such notice shall be of no effect unless such moneys are so deposited on or prior to the redemption date. If such redemption is not effectuated, the Paying Agent/Registrar shall, within five days thereafter, give notice in the manner in which the notice of redemption was given that such moneys were not so received and shall rescind the redemption.

The form of Assignment printed or endorsed on this Bond may be executed by the Registered Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the Registered Owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the Issuer. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion, or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Bond or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date.

THE ISSUER EXPRESSLY RESERVES the right to issue further and additional special revenue obligations equally secured by a lien on and pledge of the net revenues of the Issuer's combined Waterworks and Sewer System on a parity with the Bonds of this issue; provided, however, that any and all such additional parity obligations may be issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Bond Ordinance, to which reference is hereby made for more complete and full particulars.

THE HOLDER HEREOF shall never have the right to demand payment of this Bond or the interest thereon out of any funds raised or to be raised by taxation, or from any sources whatsoever other than those described in the Bond Ordinance.

THE ISSUER HAS RESERVED THE RIGHT to amend the Bond Ordinance as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the Registered Owners of a majority in aggregate principal amount of the outstanding Bonds.

BY BECOMING the Registered Owner of this Bond, the Registered Owner thereby acknowledges all of the terms and provisions of the Bond Ordinance, agrees to be bound by such terms and provisions, acknowledges that the Bond Ordinance is duly recorded and available for inspection in the official minutes and records of the governing body of the Issuer, and agrees that the terms and provisions of this Bond and the Bond Ordinance constitute a contract between each Registered Owner hereof and the Issuer.

covenants in the laws of the State of Texas and in this Ordinance, it is expressly stipulated that the Issuer shall, at all times, while any of the Bonds or Additional Bonds are outstanding and unpaid, maintain rates and collect charges for the facilities and services afforded by the System, as required by Section 1502.057 and Chapter 1502, Texas Government Code, which will provide revenues sufficient at all times to:

- (a) Pay for all maintenance, operation, debt service, depreciation, replacement and betterment charges of the System;
- (b) Establish and maintain the Interest and Sinking Fund and the Reserve Fund as provided for in the Ordinance;
- (c) Produce Net Revenues each year in an amount reasonably anticipated to be not less than 1.50 times the average annual principal and interest requirements of the Bonds and Additional Bonds from time to time outstanding; and
- (d) Pay all outstanding indebtedness against the System, other than the Bonds and Additional Bonds as and when the same become due.

Section 8. Revenue Fund. The Issuer covenants that it will deposit, as collected, all revenues of every nature derived from the operation of the System, into a separate account known as the City of Mesquite, Texas Waterworks and Sewer System Revenue Fund (herein called the “Revenue Fund”) established in the Ordinance, which shall be kept separate and apart from all other funds of the Issuer, and, further, that said Revenue Fund shall be pledged and appropriated to the following uses and in order of precedence shown:

First: To the payment of all necessary and reasonable maintenance and operation expenses of the System as said expenses are defined by law.

Second: To the “Interest and Sinking Fund” and the “Reserve Fund” for the payment of principal of and interest on the Bonds and Additional Bonds, when and as the same fall due and mature.

Third: To any other purpose of the Issuer now or hereafter permitted by law, including the payment of Subordinate Debt, to the extent provided in the ordinance authorizing the issuance of such Subordinate Debt.

Section 9. Interest and Sinking Fund. The following provisions shall govern the establishment, maintenance and use of the City of Mesquite, Texas Waterworks and Sewer System Interest and Sinking Fund (the “Interest and Sinking Fund”):

- (a) The Issuer covenants that from the funds in the Revenue Fund, the Issuer shall pay into the Interest and Sinking Fund during each year in which any of the Bonds are outstanding, an amount equal to 100% of the amount required to meet the principal and interest payments falling due on or before the next maturity or redemption date of the Bonds, such payment to be made in equal monthly installments. If the revenues of the System in any month, after deductions for maintenance and operation expenses, are then insufficient to make the required payments into the

Interest and Sinking Fund, then the amount of any deficiency in the payment shall be added to the amount otherwise required to be paid into the Interest and Sinking Fund in the next month. All moneys paid into the Interest and Sinking Fund shall be deposited in the Issuer's depository bank, and said depository bank shall, not later than any principal or interest payment date, transfer the amount then to become due to the Paying Agent/Registrar. Said moneys not invested shall be continuously secured by a valid pledge to the Issuer of direct obligations of the United States of America, having an aggregate market value, exclusive of accrued interest, at all times at least equal to such uninvested moneys in the Interest and Sinking Fund.

(b) Chapter 1208, Government Code, applies to the issuance of the Series 2025 Bonds and the pledge of the revenues granted by the Issuer under this Section, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Series 2025 Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the revenues granted by the Issuer under this Section is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, in order to preserve to the Registered Owners of the Series 2025 Bonds a security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing of a security interest in said pledge to occur.

Section 10. Reserve Fund. The following provisions shall govern the establishment, maintenance and use of the City of Mesquite, Texas Waterworks and Sewer System Reserve Fund (the "Reserve Fund"):

(a) There shall be established and maintained a Reserve Fund for the purposes of (i) finally retiring the last of the Bonds or Additional Bonds and (ii) paying principal of and interest on the Bonds or Additional Bonds in the event moneys on hand in the Interest and Sinking Fund are insufficient for such purpose.

(b) The amount to be accumulated and maintained in the Reserve Fund shall be equal to the average annual debt service requirements on all outstanding Bonds and Additional Bonds (the "Required Reserve Fund"), which amount after the issuance of the Series 2025 Bonds shall be set forth in the Pricing Certificate. The Required Reserve Fund shall be calculated as of the last day of each fiscal year and upon the issuance of any Additional Bonds. After deposit of bond proceeds from the Series 2025 Bonds to the Reserve Fund in the amount set forth in the Pricing Certificate, the amount on deposit in the Reserve Fund shall equal to the Required Reserve Fund, which amount shall be set forth in the Pricing Certificate.

(c) In the event money in said Reserve Fund is used for the purpose for which the same is established, the amount required to make up the deficiency so that the Required Reserve Fund is on deposit in such Fund shall be paid into such Fund in not more than 60 months, in equal consecutive monthly installments.

(d) The depository bank of the Issuer is designated as the custodian of the Reserve Fund and the deposits above prescribed shall be transmitted to said Fund in said depository bank.

(e) The Issuer may replace or substitute a Credit Facility for cash or investments in the Reserve Fund.

(f) Upon such replacement or substitution, cash or investments on deposit in the Reserve Fund which, taken together with the face amount of any existing Credit Facilities, are in excess of the Required Reserve Fund may be withdrawn by the Issuer, at its option, and transferred to the Revenue Fund; provided that the face amount of any Credit Facility may be reduced at the option of the Issuer in lieu of such transfer; and further provided that any such surplus funds that are withdrawn from the Reserve Fund and that consist of proceeds of Bonds or interest thereon shall only be used for purposes for which such Bonds were issued or deposited to the Interest and Sinking Fund.

(g) If the Issuer is required to make a withdrawal from the Reserve Fund for any of the purposes described in this Section, the Issuer shall promptly notify any applicable Credit Facility Provider of the necessity for a withdrawal from the Reserve Fund for any such purposes, and shall make such withdrawal FIRST from available moneys or investments then on deposit in the Reserve Fund, and NEXT from a drawing under any Credit Facility to the extent of such deficiency.

(h) In the event of a deficiency in the Reserve Fund, or in the event that on the date of termination or expiration of any Credit Facility there is not on deposit in the Reserve Fund sufficient amounts, all in an aggregate amount at least equal to the Required Reserve Fund, then the Issuer shall satisfy the Required Reserve Fund by depositing into the Reserve Fund in monthly installments of not less than 1/60 of the Required Reserve Fund made on or before the 10th day of each month following such termination or expiration.

(i) In the event of the redemption or defeasance of any Bonds, any amounts on deposit in the Reserve Fund in excess of the Required Reserve Fund may be withdrawn and transferred, at the option of the Issuer, to the Revenue Fund, as a result of (i) the redemption of any Bonds, or (ii) funds for the payment of any Bonds having been deposited irrevocably with the paying agent or place of payment therefor in the manner described in any ordinance authorizing the issuance of Bonds, the result of such deposit being that such Bonds no longer are deemed to be outstanding under the terms of any such ordinance; provided that any such surplus funds that are withdrawn from the Reserve Fund and that consist of proceeds of Bonds or interest thereon shall only be used for purposes for which such Bonds were issued or deposited to the Interest and Sinking Fund.

(j) In the event there is a draw upon the Credit Facility, the Issuer shall reimburse the Credit Facility Provider for such draw, in accordance with the terms of any agreement pursuant to which the Credit Facility is issued, from Net Revenues, however, such reimbursement from Net Revenues shall be subordinate and junior in right of payment to the payment of principal of and premium, if any, and interest on the Bonds or Additional Bonds.

Section 11. Investment of Certain Funds.

(a) The Interest and Sinking Fund may be invested in such securities or in such manner as may be lawful investments for an Interest and Sinking Fund. All moneys resulting from the investment of said Fund shall be transferred to the Revenue Fund as received.

(b) The Reserve Fund may be invested or reinvested from time to time in direct obligations of, or obligations, the principal and interest of which are guaranteed by the United States of America or invested in direct obligations of, or participation certificates guaranteed by, the Federal Intermediate Credit Banks, Federal Land Banks, Federal National Mortgage Association, Federal Home Loan Banks, Banks for Cooperatives, and in certificates of deposit of any bank or trust company, the deposits of which are fully secured by a pledge of securities of any of the kinds hereinabove specified, such obligations or securities to mature in not more than ten years from the date of such investment or not later than the final maturity of the Bonds outstanding for which the Reserve Fund is established, whichever is shorter. Any obligations in which money is so invested shall be kept in escrow with the custodian of the Reserve Fund, and shall be promptly sold and the proceeds of sale applied in the making of payments required to be made from the Reserve Fund, whenever such payments are necessary to be made under the provisions of the Ordinance. All moneys resulting from the investment of the Reserve Fund shall be transferred to the Revenue Fund as the same are received.

(c) The Issuer's depository bank shall invest the Interest and Sinking Fund and Reserve Fund as directed by the Issuer's Director of Finance or such other appropriate representative of the Issuer. If it becomes necessary to sell or dispose of investments in order to utilize the funds for such purposes for which such funds were created, the depository bank shall sell or dispose of such investment and give the Director of Finance notice thereof.

Section 12. Further Covenants. The Issuer further covenants and agrees by and through the Ordinance as follows:

(a) The Bonds shall be special obligations of the Issuer, and the Registered Owners thereof shall never have the right to demand payment out of any funds raised or to be raised by taxation.

(b) It has the lawful power to pledge the revenues supporting the Bonds and has lawfully exercised said power under the Constitution and laws of the State of Texas, and that the Bonds issued under the ordinance shall be ratably secured in such manner that no one Bond shall have preference over any other Bond or Bonds.

(c) Other than for the payment of the Bonds and Additional Bonds, the Net Revenues have not been in any manner pledged to the payment of any debt or obligation of the Issuer or the System, other than heretofore made for the payment of Subordinate Debt.

Section 13. Issuance of Additional Bonds.

(a) In addition to the right to issue bonds of inferior lien as authorized by law, the Issuer reserves the right to issue Additional Bonds, under and in accordance with this Ordinance, for the purpose of improving, extending, equipping and repairing the System, and for the purpose of refunding in any lawful manner, any part or all of the Bonds, any Additional Bonds or Subordinate Debt then outstanding. The Additional Bonds shall be secured by and payable from a first lien on and pledge of the Net Revenues in the same manner and to the same extent as any then outstanding Bonds, and the Additional Bonds then proposed to be issued shall in all respects be on a parity and of equal dignity as to lien and right. Additional Bonds may be issued under the Ordinance in one

or more installments; provided, however, that none of the Additional Bonds shall be issued unless and until the following conditions have been met, to-wit:

(i) The Issuer is not then in default as to any covenant, condition or obligation prescribed by any ordinance authorizing the issuance of the outstanding Bonds or Additional Bonds;

(ii) Each of the special Funds created for the payment and security of the Bonds and Additional Bonds contain the amount of money then required to be on deposit therein;

(iii) The Issuer has secured from a certified public accountant a certificate showing that the Net Earnings for either the completed Fiscal Year next preceding the date of the Additional Bonds or a consecutive twelve-month period out of the last fifteen months next preceding the date of the Additional Bonds is equal to at least 1.50 times the average annual principal and interest requirements (calculated on a Fiscal Year basis at the time of issuance of Additional Bonds) of all Bonds and Additional Bonds which will be outstanding after the issuance of the proposed Additional Bonds. However, should the certificate of the accountant certify that the Net Earnings of the System for the period covered thereby were less than required above, and a change in the rates and charges for services afforded by the System became effective at least 60 days' prior to the last day of the period covered by the accountant's certificate and an independent engineer or engineering firm having a favorable reputation with respect to such matters will certify that, had such change in rates and charges been effective for the entire period covered by the accountant's certificate, the Net Earnings covered by the accountant's certificate would have been, in his or their opinion, equal to at least 1.50 times the average annual principal and interest requirements (calculated on a fiscal year basis at the time of issuance of Additional Bonds) of the outstanding Bonds and Additional Bonds after giving effect to the issuance of the proposed Additional Bonds, then, in such event, the coverage specified in the first sentence of this paragraph (iii) shall not be required for the period specified, and such accountant's certificate will be sufficient if accompanied by an engineer's certificate to the above effect;

(iv) The ordinance authorizing the Additional Bonds requires that deposits shall be made into the Interest and Sinking Fund in amounts adequate to pay the principal and interest requirements of the Additional Bonds as the same become due; and provides that the aggregate amount to be accumulated and maintained in the Reserve Fund shall be an amount equal to the Required Reserve Fund for all outstanding Bonds and the amount equal to the amount required by any ordinance authorizing the issuance of any Additional Bonds theretofore issued and to be outstanding after the issuance of said Additional Bonds. Such additional amount shall be so accumulated in not more than sixty months in equal monthly installments from the date of the Additional Bonds; and

(v) The Additional Bonds are scheduled to mature only on March 1 or September 1 or both.

(b) The term “Net Earnings,” as used in the Ordinance, shall mean all income, receipts and revenues derived from the operation of the System, including interest earned on invested moneys in the special Funds created therein for the payment and security of the Bonds and Additional Bonds, after deduction of maintenance and operating expenses but not deducting depreciation, and other expenditures which, under standard accounting practice, should be classified as capital expenditures. Revenues and receipts resulting from the ownership of the System (grants, meter deposits and gifts) shall not be treated or included as income, revenues or receipts from the operation of the System for purposes of determining “Net Earnings”.

(c) Wherever, in the Ordinance, the Issuer reserves the right to issue Additional Bonds, such term shall also include, mean and refer to any other form; or types of obligations which may be made lawfully payable from and secured by the Net Revenues.

So long as any Bonds or Additional Bonds are outstanding, the Issuer agrees to maintain insurance for the benefit of the Registered Owners thereof on the System of a kind and in an amount which usually would be carried by private companies engaged in a similar type of business. Nothing in the Ordinance shall be construed as requiring the Issuer to expend any funds derived from sources other than the operation of the System, but nothing therein shall be construed as preventing the Issuer from doing so. No free service of the System shall be allowed, and should the Issuer or any of its agencies or instrumentalities make use of the services and facilities of the System, payment of the reasonable value thereof shall be made by the Issuer out of funds from sources other than the revenues and income of the System.

Section 15. Records, Accounts; Accounting Reports.

(a) The Issuer covenants and agrees that so long as any Bonds, or any interest thereon, remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the operation of its System separate and apart from all other records and accounts; complete and correct entries shall be made of all transactions relating to the System, as provided by Chapter 1502, Texas Government Code, and that the Registered Owners of any Bonds or any duly authorized agent or agents of such Registered Owners shall have the right at all reasonable times to inspect all such records, accounts and data relating thereto, and to inspect the System and all properties comprising same. The Issuer further agrees that following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of certified public accountants. Each such audit, in addition to whatever other matters may be thought proper by the accountant, shall particularly include the following:

(i) A detailed statement of the income and expenditures of the System for such Fiscal Year.

(ii) A balance sheet as of the end of such Fiscal Year.

(iii) A list of the insurance policies in force at the end of the Fiscal Year on the System properties, setting out as to each policy the amount thereof, the risks covered, the name of the insurer, and the policy’s expiration date.

(b) Expenses incurred in making the audits; referred to hereinabove are to be regarded as maintenance and operation expenses and paid as such. Copies of the aforesaid annual audit shall be immediately furnished, upon request, to the Underwriters or any subsequent Registered Owner of the Series 2025 Bonds.

Section 16. Excess Revenues. As provided in Section 8 hereof, all revenues in excess of those required to establish and maintain the Interest and Sinking Fund and the Reserve Fund as required may be used for any proper purpose now or hereafter permitted by law.

Section 17. Security for Funds. All funds created by the Ordinance shall be secured in the manner and to the fullest extent permitted by law for the security of public funds and the funds created by the ordinance shall be used only for the purposes therein specified.

Section 18. Remedy in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas the Issuer covenants and agrees particularly that in the event the Issuer (a) defaults in payments to be made to the Interest and Sinking Fund or the Reserve Fund as required by the Ordinance, or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Ordinance (each an “Event of Default”), the Registered Owner or owners of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the Issuer and its officers to observe and perform any covenant, condition or obligation prescribed in the ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy provided shall be cumulative of all other existing remedies and the specifications of such remedy shall not be deemed to be exclusive.

Section 19. Bonds are Special Obligations. The Bonds are and shall be special obligations of the Issuer payable from the pledged Net Revenues, and the Registered Owner or owners thereof shall never have the right to demand payment of said obligations out of funds raised or to be raised by taxation.

Section 20. Bonds are Negotiable Instruments. Each of the Series 2025 Bonds authorized shall be deemed and construed to be a “security,” and as such a negotiable instrument, within the meaning of Article 8 of the Texas Uniform Commercial Code.

Section 21. Competition, Sale of System. So far as it legally may, the Issuer covenants and agrees, for the protection and security of the Bonds, and the Registered Owner or owners thereof from time to time, that it will not grant a franchise for the operation of any competing system in the Issuer until all Bonds shall have been retired. Neither the System, nor a substantial part thereof, shall be sold while the Bonds are outstanding, but nothing in the Ordinance shall prevent the sale or disposal of properties constituting a part of the System which are no longer needed or useful in connection with the operation thereof.

Section 22. Ordinance to Constitute Contract; Amendments. The provisions of the ordinance shall constitute a contract between the Issuer and the Registered Owner or owners from

time to time of the Series 2025 Bonds and no change, variation or alteration of any kind of the provisions of the Ordinance may be made, except as permitted in this Section. The Issuer, may, without the consent of or notice to any Registered Owner or owners, from time to time, and at any time, amend this Ordinance in any manner not detrimental to the interests of the Registered Owner or owners of the Series 2025 Bonds, including the curing of any ambiguity, in consistency or formal defect or omission therein. In addition, with the written consent of the Registered Owner or owners holding a majority in aggregate principal amount of the Series 2025 Bonds then outstanding affected thereby, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Registered Owners of outstanding Series 2025 Bonds, no such amendment, addition or rescission shall (i) extend the time or times of payment of the principal of, premium, if any, and interest on the Series 2025 Bonds, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Series 2025 Bonds, (ii) given any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of Series 2025 Bonds required for consent to any such amendment, addition or rescission.

Section 23. Defeasance of Series 2025 Bonds.

(a) Any Series 2025 Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a “Defeased Bond”) within the meaning of this Ordinance, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Series 2025 Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, including a deposit of sufficient funds with the Paying Agent for the Series 2025 Bonds or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the “Future Escrow Agreement”) for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (a)(i) or (ii) of this Section shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer be invested in Defeasance Securities, maturing in the amounts and times as

hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) of this Section. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(d) In the event that the Issuer elects to defease less than all of the principal amount of Series 2025 Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Series 2025 Bonds by such random method as it deems fair and appropriate.

Section 24. Damaged, Mutilated, Lost, Stolen, or Destroyed Series 2025 Bonds.

(a) Replacement Series 2025 Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new Bond of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Series 2025 Bonds. Application for replacement of damaged, mutilated, lost, stolen or destroyed Series 2025 Bonds shall be made by the Registered Owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Bond, the Registered Owner applying for a replacement Bond shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Bond, the Registered Owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the Registered Owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred that is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the Issuer

may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Series 2025 Bonds. Prior to the issuance of any replacement Bond, the Paying Agent/Registrar shall charge the Registered Owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Series 2025 Bonds duly issued under this Ordinance.

(e) Authority for Issuing Replacement Series 2025 Bonds. In accordance with Sec. 1206.022, Government Code, this Section shall constitute authority for the issuance of any such replacement Bond without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such Series 2025 Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Series 2025 Bonds in the form and manner and with the effect, as provided in Section 3(a) of this Ordinance for Series 2025 Bonds issued in conversion and exchange for other Series 2025 Bonds.

In addition, if bond insurance is obtained, the Series 2025 Bonds may bear an appropriate legend as provided by the insurer.

(b) In the event the Mayor or City Secretary is absent or otherwise unable to execute any document or take any action authorized herein, the Mayor Pro Tem and the Assistant City Secretary, respectively, shall be authorized to execute such documents and take such actions, and the performance of such duties by the Mayor Pro Tem and the Assistant City Secretary shall for the purposes of this Ordinance have the same force and effect as if such duties were performed by the Mayor and City Secretary, respectively.

(ii) “Regulations” means the applicable proposed, temporary or final Treasury Regulations promulgated under the Code or, to the extent applicable to the Code, under the Internal Revenue Code of 1954, as such regulations may be amended or supplemented from time to time.

(b) General. The City covenants not to take any action or omit to take any action that, if taken or omitted, would cause the interest on the Series 2025 Bonds to be includable in gross income for federal income tax purposes. In furtherance thereof, the City covenants to comply with sections 103 and 141 through 150 of the Code and the provisions set forth in the Federal Tax Certificate executed by the City in connection with the Series 2025 Bonds.

(c) No Private Activity Bonds. The City covenants that it will use the proceeds of the Series 2025 Bonds (including investment income) and the property financed, directly or indirectly, with such proceeds so that the Series 2025 Bonds will not be “private activity bonds” within the meaning of section 141 of the Code. Furthermore, the City will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Series 2025 Bonds to be a “private activity bond” unless it takes a remedial action permitted by section 1.141-12 of the Regulations.

(d) No Federal Guarantee. The City covenants not to take any action or omit to take any action that, if taken or omitted, would cause the Series 2025 Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code, except as permitted by section 149(b)(3) of the Code.

(e) No Hedge Bonds. The City covenants not to take any action or omit to take action that, if taken or omitted, would cause the Series 2025 Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code.

(f) No Arbitrage Bonds. The City covenants that it will make such use of the proceeds of the Series 2025 Bonds (including investment income) and regulate the investment of such proceeds of the Series 2025 Bonds so that the Series 2025 Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code.

(j) Registration. If the Series 2025 Bonds are “registration-required bonds” under section 149(a)(2) of the Code, the Series 2025 Bonds will be issued in registered form.

(k) Favorable Opinion of Bond Counsel. Notwithstanding the foregoing, the City will not be required to comply with any of the federal tax covenants set forth above if the City has received an opinion of nationally recognized bond counsel that such noncompliance will not adversely affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes.

(l) Continuing Compliance. Notwithstanding any other provision of this Ordinance, the City’s obligations under the federal tax covenants set forth above will survive the defeasance and discharge of the Series 2025 Bonds for as long as such matters are relevant to the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes.

(m) Official Intent. For purposes of section 1.150-2(d) of the Regulations, to the extent that an official intent to reimburse by the City is not in effect for a particular project, this Ordinance serves as the City’s official declaration of intent to use proceeds of the Series 2025 Bonds issued in the maximum amount authorized by this Ordinance to reimburse itself for certain expenditures paid in connection with the projects set forth herein. Any such reimbursement will only be made (i) for an original expenditure paid no earlier than 60 days prior to the date hereof and (ii) not later than 18 months after the later of (A) the date the original expenditure is paid or (B) the date on which the project to which such expenditure relates is placed in service or abandoned, but in no event more than three years after the original expenditure is paid.
