Once a person has been notified of his/her selection as election judge, no changes may be made by any of the participating authorities.

The Elections Administrator is responsible for notifying all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to insure

The Elections Administrator will employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies and equipment during the period of early voting and on election day, and for the efficient tabulation of ballots at the Central Counting Station. Part-time personnel will be paid an amount agreed to by the participating authorities as outlined in Attachment "A". The Elections Department will provide maps, color coded materials, instructions and other information needed to enable the election judges in the reporting precincts that have more than one ballot style to conduct a proper election.

Each participating authority will furnish the Elections Administrator a list of candidates showing the order and the exact manner in which their names are to appear on the official ballot. The list will be delivered to the Elections Administrator as soon as possible after ballot positions have been determined by each of the participating authorities. Each participating authority will be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates.

The Elections Department will be responsible for having the ballot pages printed, punched, crimped and assembled into ballot booklets and will deliver the proper ballot assemblies, with the votomatics to voting precincts.

VIII. PUNCH CARD BALLOTS

The ballot allocation for this election is based on providing enough ballots in every reporting precinct to handle the same turnout as in comparable elections plus 25 percent (25%) of that number, with the final number of ballots ending in a number divisible by 50 (as ballots are packaged in groups of 50) for an original allocation of no less than 50% of the registered voters. Dallas County will provide additional Generic Ballots (emergency ballots) to each precinct to equal a total ballot allocation of no less than Eighty Percent (80%) in each precinct.

Approximately 20,000 additional ballots will be available for early voting and for use on election day to respond to any precinct requesting additional ballots.
