The Elections Administrator will forward an updated version of Attachment "E" to each participating authority showing registered voters as of the deadline for registering to vote in the election.

II. ADMINISTRATION

The Dallas County Elections Administrator agrees to coordinate, supervise and handle all aspects of administering the Joint Election in accordance with the provisions of the Texas Election Code and as outlined in this agreement. Each participating authority agrees to pay Dallas County for equipment, supplies, services and administrative costs as outlined in this agreement. The Dallas County Elections Administrator will serve as administrator for the election; however, each participating authority remains responsible for the lawful conduct of their respective election.

III. LEGAL DOCUMENTS

Each participating authority will be responsible for preparation, adoption and publication of all required election orders, resolutions, notices and any other pertinent documents required by their respective governing bodies.

The Elections Administrator will be responsible for making the submission required by the Federal Voting Rights Act of 1965, as amended, with regard to administration of the joint election. A copy of the submission will be furnished to each participating authority. Any other changes which require preclearance by the U.S. Department of Justice will be the responsibility of each participating authority. Preparation of necessary bilingual materials for notices and preparation of the text for the official ballot will also be the responsibility of each participating authority. Each participating authority will provide a copy of their respective election notices and justice submission to the Dallas County Elections Administrator.

IV. DIRECT RECORD VOTING SYSTEM/OPTICAL SCAN

Each participating authority agrees that voting at the joint election will be by use of a direct record and optical scan voting system approved by the Secretary of State in accordance with the Texas Election Code. The Dallas County Elections

Department will be responsible for the preparation of programs and the testing of the direct record system and optical scan system used for tabulating the ballots. Testing of the direct record equipment will be conducted at the Elections Department, 2377 N. Stemmons Frwy, Suite 820, Dallas beginning April 7, 2000 at 10:00 am and testing of the optical scan equipment will be conducted at the Election Equipment Warehouse, 1506 East Langdon Road, Hutchins beginning April 13, 2000 at 10:00 am, and before ballots are tabulated at the scheduled polling locations listed in Section XIII of this contract and Attachment "B" by the presiding judges. The Dallas County Elections Department agrees to establish a central counting station to receive and tabulate the voted ballots as outlined in Section IX of this agreement.

Dallas County agrees to provide direct record tabulators, precinct tabulators and voting booths for the joint election. Voting booth allocation will be based on providing one voting booth for each 300 registered voters in each election precinct unit, not to exceed eight (8) voting booths in any given precinct unit, one (1) precinct tabulator per location, and seven (7) votronics per early voting location.

It is estimated that (1,764) voting booths, (294) precinct tabulators and (259) votronics will be needed to conduct the May 6, 2000 Joint Election. The direct record voting system for the election will be determined by multiplying the total number of votronics by \$130.00 each. The cost for the use of the voting booths will be \$15.00 each. The cost for the use of the precinct tabulators will be \$100.00 each (See Attachment "A").

V. VOTING LOCATIONS

The Elections Administrator will select and arrange for the use of and payment for all voting locations, subject to the approval of each participating authority. Voting locations will be, whenever possible, the usual voting locations for the precincts. Voting precincts may be combined by mutual agreement between the participating authorities. The proposed voting locations are listed in Attachment "B" of this agreement. In the event a voting location is not available, the Elections Administrator will arrange for use of an alternate location with the approval of each participating authority affected by the change. The Elections Administrator will notify each participating authority of any changes from the locations listed in Attachment "B".

The Elections Administrator will send each participating authority a final version of Attachment "B" which reflects the actual locations to be used on the day of the election.

VI. ELECTION JUDGES, CLERKS AND OTHER ELECTION PERSONNEL

The Elections Administrator will be responsible for the appointment of the presiding judge and alternate for each polling location subject to the approval of each participating authority. The Elections Administrator shall arrange for the training and compensation of all presiding judges and clerks. The proposed election judges are listed in Attachment "C" of this agreement. If a person is unable or unwilling to serve, the Elections Administrator will name a judge for the precinct.

If a participating authority recommends a person not listed in Attachment "C", and that recommendation conflicts with the recommendation from any of the other entities involved in the election in that precinct, the Elections Administrator will conduct a drawing from the recommendations to determine the election judge. Once a person has been notified of his/her selection as election judge, no changes may be made by any of the participating authorities.

The Elections Administrator is responsible for notifying all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to insure that all election judges appointed for the joint election are eligible to serve. The presiding judge, with the Elections Department assistance, will be responsible for insuring the eligibility of each appointed clerk hired to assist the judge in the conduct of the election.

The Elections Administrator will send joint participants an updated version of Attachment "C" which reflects the names of judges who were sent the letter requesting service for this election, and a final version for Attachment "C" which reflects the name of the judges who actually presided on the day of the election.

The Elections Department will hold two (2) public schools of instruction on the use of optical scan card voting equipment and election laws on Saturday, April 29, 2000 from 10am - 12pm and Thursday, May 4, 2000, from 7pm - 9pm in the Central Jury Room, George L. Allen County Courthouse, 600 Commerce Street, Dallas. No election judge will be appointed unless he/she has attended an election judge training session taught by the Elections Department in the past eighteen (18) months and on the optical

scan system. However, participating entities have requested that judges appointed for the joint election should attend one of the two scheduled training sessions.

The election judges are responsible for picking up election supplies at the time and place determined by the Elections Department (which will be set forth in the election judge letter requesting service for this election).

Each election judge and clerk will receive \$6.00 per hour (for a maximum of 14 hours). The election judge will receive an additional \$25.00 for picking up the election supplies prior to election day and for delivering election returns and supplies to their designated drop off site.

The Elections Administrator will employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies and equipment during the period of early voting and on election day, and for the efficient tabulation of ballots at the central counting station and regional sites. Part-time personnel will be paid an amount agreed to by the participating authorities as outlined in Attachment "A". Part-time personnel working in support of the central counting station and regional sites on election night will receive pay for at least four hours, minimum call for service, regardless of the actual hours worked.

VII. SUPPLIES AND PRINTING

The Elections Department will arrange for all election supplies and election printing, including, but not limited to, all forms, signs and other materials used by the election judges at the voting locations.

The Elections Department will provide maps, if necessary, instructions and other information needed to enable the election judges to conduct a proper election.

Each participating authority will furnish the Elections Administrator a list of candidates and or propositions showing the order and the exact manner in which their names and or proposition(s) are to appear on the official ballot. The list will be delivered to the Elections Administrator as soon as possible after ballot positions have been determined by each of the participating authorities. Each participating authority will be responsible for proofreading and approving the ballot in so

far as it pertains to that authority's candidates and or propositions.

VIII. OPTICAL SCAN CARD BALLOTS

The ballot allocation for this election is based on providing enough ballots in every reporting precinct to handle the same turnout as in comparable elections plus 25 percent (25%) of that number, for an original allocation of no less than 35% of the registered voters.

IX. RETURNS OF ELECTIONS

The Elections Department will be responsible for establishing and operating the central counting station to receive and tabulate the voted ballots in accordance with the provisions of the Texas Election Code and of this agreement.

The participating authorities hereby, in accordance with Section 127.002, 127.003 and 127.005 of the Texas Election Code, appoint the following central counting station officials:

Manager	- Bruce R. Sherbet Dallas County Elections Administrator
Tabulating Supervisor	- Mike Limas ES & S Representative
Presiding Judge	- Brooks Love, COD Elections Manager

The manager or his representative will deliver timely cumulative reports of the election results as precincts are tabulated. The manager will be responsible for releasing cumulative totals and precinct returns from the election to the joint participants, candidates, press, and general public by distribution of hard copies or electronic transmittals (where accessible). Dallas County will operate an election result center to release election results in the Voter Registration Department, 2377 N. Stemmons Frwy, Dallas, Texas. Any participating authority, upon request, may require release of returns be given only at a specified location other than from the result center.

The Dallas County Elections Department will prepare the unofficial canvass report after all precincts have been counted, and will deliver a copy of the unofficial canvass to each participating authority as soon as possible after all returns have been tabulated, but in no event later than 10:00am Monday, May 8, 2000. All participating authorities will be responsible for the official canvass of their respective elections.

The Dallas County Elections Department will be responsible for conducting the post election manual recount, unless a waiver is given from the Secretary of State in accordance with Section 127.201 of the Texas Election Code. Notification and copies of the recount, if waiver is denied, will be provided to each participating authority and the Secretary of State's Office.

X. ELECTION EXPENSES

The participating authorities agree to share the costs of administering the May 6, 2000 Joint Election. A general supervisory fee not to exceed 10% of the total cost of the election shall be assessed as authorized by the Texas Election Code, Sec. 31.100. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared according to a formula which is based on average cost per polling place (unit cost) as determined by adding together the overall expenses and dividing expenses equally among the total number of polling places. The cost of any special request from a participant, which is not agreed upon by all authorities, shall be borne by that participant. Each participating authority agrees that no participant shall be billed less than minimum of one full unit cost. Each stand alone precinct shall be billed to the requesting entity at no less than twenty-five percent of the cost of a full unit (\$620.29). A stand alone precinct is created when two or more entities are located within a precinct and the participating entities are unable to agree upon a common polling place. See Attachment "A".

The expenses for early voting by mail and personal appearance will be paid equally by each participating authority.

Final election expenses will be determined within 120 days after the election. The Elections Administrator will provide each participating authority with a final accounting in writing of all funds deposited into the joint election account and an accounting of all payments from the joint election account.

If additional funds are needed, the Elections Administrator will bill each participating authority in accordance with the expense formula enumerated herein. Any amount remaining will be refunded accordingly to each participating authority.

XI. DEPOSIT OF FUNDS

Each participating authority agrees to deposit with the Dallas County Treasurer's Office, by no later than Tuesday, April 4, 2000, a sum equal to 50% of the total estimated cost of election expenses to be paid by Dallas County as administrator of the Joint Election, and the remaining is 50% due by Friday, April 21, 2000; however, any participating entity may pay the total sum on or before April 4, 2000. The funds will be placed in a joint election account to be used by the County for paying expenses as outlined in this agreement. No funds will be expended by Dallas County except for supplies and services outlined in this agreement, or except as may be agreed to, in writing, by each participating authority.
