The cost for the use of the gemini voting booths will be \$35.00 each. The cost for the use of the precinct tabulators will be \$175.00 each (See Attachment "A"). Once a person has been notified of his/her selection as election judge, no changes may be made by any of the participating authorities.

However, participating entities have requested that judges appointed for the Joint Election should attend one of the two scheduled training sessions.

- 6.7 The election judges are responsible for picking up election supplies at the time and place determined by DCED (which will be set forth in the election judge letter requesting service for this election). Each election judge will receive \$9.00 per hour and each clerk will receive \$8.00 per hour (for a maximum of 14 hours). The election judge will receive an additional \$25.00 for picking up the election supplies prior to election day and for delivering election returns and supplies to their designated regional drop off site.
- 6.8 DCED will employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies and equipment assistance during the period of early voting and on election day, and for the efficient tabulation of ballots at the central counting station and regional sites.
