- 20.1.** A default shall exist under this AGREEMENT if either Party fails to perform or observe any material covenant contained in this AGREEMENT. The non-defaulting Party shall immediately notify the defaulting Party in writing upon becoming aware of any condition or event constituting a default. Such notice shall specify the nature and the period of existence thereof and what action, if any, the non-defaulting Party requires or proposes to require with respect to curing the default.
- 20.2.** If a default shall occur and continue after thirty (30) days' notice of the same, the non-defaulting Party may, at its option, pursue any remedies it may be entitled to, at law or in equity, in accordance with applicable law, without the necessity of future notice to or demand upon the defaulting Party. The non-defaulting Party shall not, however, pursue remedies for as long as the defaulting Party proceeds in good faith and with due diligence to remedy and correct the default, provided that defaulting Party has commenced to cure such default within thirty (30) days following notices. Notwithstanding the foregoing, a default for failure to make a payment required under the terms of this AGREEMENT must be cured within thirty (30) days' notice of same, and said cure period is not extended by any partial payment.

All rights and remedies of the CITY are cumulative. The obligations of the COMPANY set forth in this **SUB-SECTION 21.1** shall expressly survive the termination of AGREEMENT ONE, the termination of AGREEMENT TWO, and the termination of this AGREEMENT THREE.
- 21.2. CITY Default.** Upon the occurrence of a CITY default, if such CITY default continues beyond the time provided in **SUB-SECTION 20.2**, the COMPANY shall have the right to immediately terminate this AGREEMENT by written notice to the CITY (the "**Company Termination Notice**") and in the event the CITY default continues for thirty (30) days after the Company Termination Notice, the COMPANY shall have the right to file suit in a court of competent jurisdiction.

**23. SEVERABILITY.**

In the event any provision or item of this AGREEMENT is held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect other provisions or items of this AGREEMENT which can be given effect without the invalid provisions or items, and to this end, the provisions of this AGREEMENT are hereby declared severable.

This AGREEMENT may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.
