1. The recitals in the “WHEREAS” clauses of this Reimbursement Agreement are true and correct, create obligations of the Parties, and are incorporated as part of this Reimbursement Agreement for all purposes.
2. Strictly subject to the terms, conditions, and requirements and solely from the revenues as herein provided and in accordance with the Development Agreement, the City agrees to pay the Developer and its assigns, and the Developer and its assigns shall be entitled to receive from the City, the amount equal to that portion of the Improvement Area A-1 Improvement Costs and Improvement Area C-1 Improvement Costs paid by the Developer as set forth in the Service and Assessment Plan that were within budgeted costs, plus interest on the unpaid balance as set forth in Section 2(c) below, in accordance with the terms of this Reimbursement Agreement for the term set forth herein, in principal amounts as set forth in the Service and Assessment Plan, such amounts not to exceed (i) \$42,553,679 (the “Improvement Area A-1 Reimbursement Amount”), and (ii) 9,113,713 (the “Improvement Area C-1 Reimbursement Amount”) plus interest accrued as provided herein and in the Service and Assessment Plan. The City hereby covenants to create, concurrently with the execution of this Reimbursement Agreement, separate funds to be designated the “Improvement Area A-1 Assessment Fund“ and “Improvement Area C-1

- c. The Improvement Area A-1 Assessment Revenue and Improvement Area C-1 Assessment Revenue shall be received, collected and deposited into the Improvement Area A-1 Assessment Fund and Improvement Area C-1 Assessment Fund, respectively, subject to the following limitations:
 - i. Calculation of the Improvement Area A-1 Assessments and the Improvement Area C-1 Assessments and the first Annual Installment for a Lot or Parcel shall begin as provided for in the Service and Assessment Plan.
 - ii. The Improvement Area A-1 Assessments shall accrue interest at the rates set forth in this (v) immediately below. Interest shall continue on the unpaid principal amount of the Improvement Area A-1 Assessments for a Lot until the earlier of (i) 30 years or the time period set forth in the Service and Assessment Plan, or (ii) the issuance of any Future Improvement Area A-1

Bonds, or (iii) in the event the Future Improvement Area A-1 Bonds are not issued, until the Improvement Area A-1 Reimbursement Amount is paid in full pursuant to this Reimbursement Agreement.

- iii. The Improvement Area C-1 Assessments shall accrue interest at the rates set forth in this (vii) immediately below. Interest shall continue on the unpaid principal amount of the Improvement Area C-1 Assessments for a Lot until the earlier of (i) 30 years or the time period set forth in the Service and Assessment Plan, or (ii) the issuance of any Future Improvement Area C-1 Bonds, or (iii) in the event the Future Improvement Area C-1 Bonds are not issued, until the Improvement Area C-1 Reimbursement Amount is paid in full pursuant to this Reimbursement Agreement
- iv. The Developer and its assigns shall be reimbursed in an Improvement Area A-1 Reimbursement Amount as set forth in the Service and Assessment Plan, such amount not to exceed the principal amount of \$42,553,679 plus interest for the time period as both are set forth in the Service and Assessment Plan, from the Improvement Area A-1 Assessment Fund and as allowed under this Section. The Improvement Area A-1 Reimbursement Amount as set forth in the Service and Assessment Plan shall control over any amount set forth in this Agreement.
- v. The unpaid Improvement Area A-1 Reimbursement Amount shall bear simple interest per annum beginning on the date and at the rates to be set forth in the Service and Assessment Plan as amended and updated to reflect the Improvement Area A-1 Assessments and shall comply with Subsections 372.023(e)(1) and (e)(2) of the PID Act. Upon the issuance of Future Improvement Area A-1 Bonds for the payment of the Improvement Area A-1 Improvement Costs, the Assessments shall bear interest at the rate of the Future Improvement Area A-1 Bonds plus additional interest as set forth in the Service and Assessment Plan, and interest on the Improvement Area A-1 Assessments pursuant to this section shall cease.
- vi. The Developer and its assigns shall be reimbursed in an Improvement Area C-1 Reimbursement Amount not to exceed the principal amount as set forth in the Service and Assessment Plan such amount not to exceed \$9,113,743 plus interest for the time period as both are set forth in the Service and Assessment Plan, from the Improvement Area C-1 Assessment Fund and as allowed under this Section. The Improvement Area C-1 Reimbursement Amount as set forth in the Service and Assessment Plan shall control over any amount set forth in this Agreement.

4. If Future Improvement Area A-1 Bonds are issued to reimburse the costs of the Improvement Area A-1 Improvements, the net proceeds of such Future Improvement Area A-1 Bonds shall be used, from time to time, first to pay the Improvement Area A-1 Unpaid Balance due to the Developer under this Reimbursement Agreement for the costs of Improvement Area A-1 Improvements and then to pay all or any portion of any Improvement Area A-1 Improvement Costs, as set forth in the Service and Assessment Plan.
5. The Improvement Area C-1 Reimbursement Amount, plus the interest as described in Section 2(c)(iii) above, are collectively, the "Improvement Area C-1 Unpaid Balance." The Unpaid Balance is secured by and payable solely from the Improvement Area C-1 Assessment Revenue received and collected by the City and deposited into the Improvement Area A-1 Assessment Fund, subject to Section 6 herein. No other City funds, revenue, taxes, or income of any kind shall be used to pay the Unpaid Balance, even if the Improvement Area C-1 Unpaid Balance is not paid in full by the Maturity Date. This Reimbursement Agreement shall not, under any circumstances, give rise to or create a charge against the general credit or taxing power of the City or a debt or other obligation of the City payable from any source other than Improvement Area C-1 Assessment Revenue received, collected and deposited into the Improvement Area C-1 Assessment Fund. The City covenants that it will comply with the provisions of this Reimbursement Agreement, the Development Agreement, and the PID Act, including provisions relating to the administration of the PID and the enforcement and collection of taxes and Assessments, and all other covenants provided therein. The City will take and pursue all actions permissible under the PID Act and Applicable Laws to cause the Improvement Area C-1 Assessments to be collected and the liens related to such Improvement Area C-1 Assessments to be enforced continuously, in the manner and to the maximum extent permitted by the Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Improvement Area C-1 Assessments for so long as an Unpaid Balance remains outstanding under this Reimbursement Agreement. Notwithstanding its collection efforts, if the City fails to receive all or any part of the Improvement Area C-1 Assessment Revenue and, as a result, is unable to make transfers from the Improvement Area C-1 Assessment Revenue Fund for payments to the Developer as required under this Reimbursement Agreement, such failure and inability shall not constitute a Failure or Default by the City under this Reimbursement Agreement.
6. If Future Improvement Area C-1 Bonds are issued to reimburse the costs of the Improvement Area C-1 Improvements, the net proceeds of such Future Improvement Area C-1 Bonds shall be used, from time to time, first to pay the Improvement Area C-1 Unpaid Balance due to the Developer under this Reimbursement Agreement for the costs of Improvement Area C-1 Improvements and then to pay all or any portion of any

Improvement Area C-1 Improvement Costs, as set forth in the Service and Assessment Plan.

7. Notwithstanding the foregoing, the Developer shall only be entitled to repayment of the Improvement Area A-1 Improvement Costs and the Improvement Area C-1 Improvement Costs as set forth in the Service and Assessment Plan. If the Improvement Area A-1 Improvement Costs or the Improvement Area C-1 Improvement Costs are less than the amounts set forth in Service and Assessment Plan, the Developer shall not be entitled to such excess amounts. The Parties acknowledge that upon the issuance of Future Improvement Area A-1 Bonds or Future Improvement Area C-1 Bonds, the payment of bond proceeds to the Developer for reimbursement of the costs of the Improvement Area A-1 Improvements and the Improvement Area C-1 Improvements, and for any costs incurred in the administration and operation of the PID, shall be as set forth in and subject to the terms and provisions of the applicable Indenture relating to the Future Improvement Area A-1 Bonds and Future Improvement Area C-1 Bonds, including the form of a certification for payment (a "Certification for Payment") as provided in the applicable Indenture.
8. The Developer represents and warrants that it will not request payment with respect to any Improvement Area A-1 Improvement Costs or Improvement Area C-1 Improvements Costs that are not part of the Improvement Area A-1 Improvements or Improvement Area C-1 Improvements identified in the Service and Assessment Plan and it will follow all procedures set forth herein or in the applicable Indenture with respect to Certification for Payments (as defined in the applicable Indenture).
9. Payment of amounts due pursuant to this Reimbursement Agreement shall be after the City's acceptance of the Improvement Area A-1 Improvements and Improvement Area C-1 Improvements, pursuant to the City's customary process, and submittal of sufficient documentation as reasonably determined by the City's PID Administrator that reflect the Improvement Area A-1 Improvement Costs and Improvement Area C-1 Improvements Costs paid by Developer (a "Reimbursement Payment Request") in a form acceptable to the City and the City's PID Administrator. Upon the issuance of Future Improvement Area A-1 Bonds, payment of the Improvement Area A-1 Improvements Costs shall be made pursuant to a Certificate for Payment as set forth in the applicable Indenture. Upon the issuance of Future Improvement Area C-1 Bonds, payment of the Improvement Area C-1 Improvements Costs shall be made pursuant to a Certificate for Payment as set forth in the applicable Indenture.
10. The Developer has the right to convey, transfer, assign, mortgage, pledge, or otherwise encumber, in whole or in part without the consent of (but with written notice to) the City, the Developer's right, title, or interest in the revenue streams identified in this Reimbursement Agreement including, but not limited to, any right, title, or interest of the

Developer in and to payment of the Improvement Area A-1 Unpaid Balance or Improvement Area C-1 Unpaid Balance (any of the foregoing, a "Transfer," and the person or entity to whom the Transfer is made, a "Transferee"). Notwithstanding the foregoing, however, no Transfer shall be effective until five (5) days after Developer's written notice of the Transfer is received by the City, including for each Transferee the information required by Section 20 below. The City may rely on any notice of a Transfer received from the Developer without obligation to investigate or confirm the validity or occurrence of such Transfer. No conveyance, transfer, assignment, mortgage, pledge or other encumbrance shall be made by the Developer or any successor or assignee of the Developer that results in the City being an "obligated person" within the meaning of Rule 15c2-12 of the United States Securities and Exchange Commission. The Developer waives all rights or claims against the City for any such funds provided to a third party as a result of a Transfer for which the City has received notice. The City shall not be required to make payments pursuant to this Reimbursement Agreement to more than two (2) parties. The City shall not make any representations or execute any consent to any assignment of this Reimbursement Agreement or any Assessment Revenues received hereunder.

11. The Developer represents that it is in compliance with all of its obligations required by the Development Agreement, and the City's ordinances and regulations.
12. The Developer represents that it has submitted and will obtain approval of the applicable construction plans for the Improvement Area A-1 Improvements and the Improvement Area C-1 Improvements from the appropriate departments of the City and from any other public entity or public utility from which such approval must be obtained. Nothing in this Reimbursement Agreement shall be construed as a grant of any development permit approval. The Developer further agrees that, subject to the terms hereof and of the Development Agreement, the Improvement Area A-1 Improvements and the Improvement Area C-1 Improvements constructed by the Developer have been or will be constructed in full compliance with approved construction plans and are or will be consistent with the Development Agreement and that the Developer shall supply the City with complete as-built plans upon final completion (meaning when the Improvement Area A-1 Improvements and Improvement Area C-1 Improvements have been completed in accordance with the applicable City regulations and City approved plans and are ready for dedication to the City) of each Improvement Area A-1 Improvement and Improvement Area C-1 Improvement constructed by the Developer.
13. The Developer shall not be relieved of its obligation to construct or cause to be constructed each Improvement Area A-1 Improvement and Improvement Area C-1 Improvement, and, upon completion, inspection and acceptance, convey each such Improvement Area A-1 Improvement and Improvement Area C-1 Improvement to the City in accordance with the terms of this Reimbursement Agreement and the Development Agreement, even if there

are insufficient funds in the Project Fund of the applicable Indenture or in the Improvement Area A-1 Assessment Fund or Improvement Area C-1 Assessment Fund to pay the costs thereof. In any event, this Reimbursement Agreement shall not affect any obligation of the Developer under any other agreement to which the Developer is a party or any governmental approval which the Developer or land within the District is subject, with respect to the Improvement Area A-1 Improvements or Improvement Area C-1 Improvements, required in connection with the development of the land within the PID.

14. Within twenty (20) business days of receipt of any Reimbursement Payment Request, the City's PID Administrator shall either (i) approve and execute the Reimbursement Payment Request and forward the same to the City for payment (from those funds available in the Improvement Area A-1 Reimbursement Fund or Improvement Area C-1 Reimbursement Fund, as applicable), or (ii) in the event the City's PID Administrator disapproves the Reimbursement Payment Request, give written notification to the Developer of such disapproval, in whole or in part, of such Reimbursement Payment Request, specifying the reasons for such disapproval and the additional requirements to be satisfied for approval of such Reimbursement Payment Request. If a Reimbursement Payment Request seeking reimbursement is approved only in part, the City shall specify the extent to which the Reimbursement Payment Request is approved and shall process such partially approved Reimbursement Payment Request for payment.
15. Within twenty (20) business days of receipt of any completed and correct Certificate for Payment required under any Indenture for Future Improvement Area A-1 Bonds or Future Improvement Area C-1 Bonds, the City's PID Administrator shall either (i) approve and forward for City execution, the Certificate for Payment and then forward the same to the Trustee for payment, or (ii) in the event the City's PID Administrator disapproves the Certificate for Payment, give written notification to the Developer of such disapproval, in whole or in part, of such Certificate for Payment, specifying the reasons for such disapproval and the additional requirements to be satisfied for approval of such Certificate for Payment. If a Certificate for Payment seeking reimbursement is approved only in part, the City shall specify the extent to which the Certificate for Payment is approved and shall deliver such partially approved Certificate for Payment to the Trustee for the Improvement Area A-1 Trust Indenture or the Improvement Area C-1 Trust Indenture, as applicable, for payment
16. The obligations of the City under this Reimbursement Agreement are non-recourse and payable only from the Improvement Area A-1 Assessment Fund or Improvement Area C-1 Fund, as applicable, and such obligations do not create a debt or other obligation payable from any other City revenues, taxes, income, or property. None of the City or any of its elected or appointed officials or any of its officers or employees shall incur any liability hereunder to the Developer or any other party in their individual capacities by

reason of this Reimbursement Agreement or their acts or omissions under this Reimbursement Agreement.

17. Nothing in this Reimbursement Agreement is intended to constitute a waiver by the City of any remedy the City may otherwise have outside this Reimbursement Agreement against the Developer, any Transferee, or any other person or entity involved in the design, construction or installation of the Improvement Area A-1 Improvements or Improvement Area C-1 Improvements. The obligations of Developer hereunder shall be those as a Party hereto and not solely as an owner of property in the PID. Nothing herein shall be construed, nor is intended, to affect the City's or Developer's rights and duties to perform their respective obligations under other agreements, regulations and ordinances.
18. The Developer shall furnish to the City a preliminary title report for land with respect for Improvement Area A-1 Improvements and Improvement Area C-1 Improvements that are to be acquired and accepted by, but has not been previously conveyed to, the City for review and approval at least thirty (30) calendar days prior to the transfer of title of a Improvement Area A-1 Improvement or Improvement Area C-1 Improvement.
19. This Reimbursement Agreement is being executed and delivered, and is intended to be performed in the State of Texas. Except to the extent that the laws of the United States may apply to the terms hereof, the substantive laws of the State of Texas shall govern the validity, construction, enforcement, and interpretation of this Reimbursement Agreement. In the event of a dispute involving this Reimbursement Agreement, exclusive venue for such dispute shall lie in any court of competent jurisdiction in Dallas County, Texas.
20. Any notice required or contemplated by this Reimbursement Agreement shall be signed by or on behalf of the Party giving the Notice, and shall be deemed effective as follows: (i) when delivered by a national company such as FedEx or UPS with evidence of delivery signed by any person at the delivery address regardless of whether such person was the named addressee; or (ii) 72 hours after the notice was deposited with the United States Postal Service, Certified Mail, Return Receipt Requested. 21. Notwithstanding anything herein to the contrary, nothing herein shall otherwise authorize or permit the use by the City of the Improvement Area A-1 Assessments or Improvement Area C-1 Assessments contrary to the provisions of the PID Act.

22. Remedies:

- a. If either Party fails to perform an obligation imposed on such Party by this Reimbursement Agreement (a "Failure") and such Failure is not cured after written notice and the expiration of the cure periods provided in this section, then such Failure shall constitute a "Default." Upon the occurrence of a Failure by a non-performing Party, the other Party shall notify the non-performing Party and all Transferees of the non-performing Party in writing specifying in reasonable detail the nature of the Failure. The non-performing Party to whom notice of a Failure is given shall have at least thirty (30) days from receipt of the notice within which to cure the Failure; however, if the Failure cannot reasonably be cured within thirty (30) days and the non-performing Party has diligently pursued a cure within such thirty (30) day period and has provided written notice to the other Party that additional time is needed, then the cure period shall be extended for an additional period of not to exceed thirty (30) days so long as the non-performing Party is diligently pursuing a cure. Any Transferee shall have the same rights as the Developer to enforce the obligations of the City under this Reimbursement Agreement and shall also have the right, but not the obligation, to cure any alleged Failure or Default by the Developer within the same time periods that are provided

to the Developer. The election by a Transferee to cure a Failure or Default by the Developer shall constitute a cure by the Developer but shall not obligate the Transferee to be bound by this Reimbursement Agreement with respect to Developer obligations under this Reimbursement Agreement unless the Transferee agrees to be bound.

b. Notwithstanding the foregoing, the following are Events of Default under this Reimbursement Agreement:

- i. The Developer shall fail to pay to the City any monetary sum hereby required of it pursuant to the Development Agreement as and when the same shall become due and payable and shall not cure such Default within thirty (30) days after the later of the date on which written notice thereof is given by the City to the Developer, as provided in this Reimbursement Agreement. The Developer shall fail in any material respect to maintain any of the insurance or bonds required by this Reimbursement Agreement or the Development Agreement;
- ii. The Developer shall fail to comply in any material respect with any term, provision or covenant of this Reimbursement Agreement (other than the payment of money to the City), and shall not cure such failure within sixty (60) days after written notice thereof is given by the City to the Developer;
- iii. The filing by Developer of a voluntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights;
- iv. The consent by Developer to an involuntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights;
- v. The entering of an order for relief against Developer or the appointment of a receiver, trustee, or custodian for all or a substantial part of the property or assets of Developer in any involuntary proceeding, and the continuation of such order, judgment or degree unstayed for any period of ninety (90) consecutive days;
- vi. The failure by Developer or any Affiliate to pay any taxes or Assessments on property owned by the Developer and/or any Affiliates within the PID or in the TIRZ (as defined in the Development Agreement), if such failure is not cured within thirty (30) days
- vii. The Developer is in default under the Development Agreement after the expiration of any applicable cure period following written notice, if such written notice is required under the terms of the Development Agreement or
- viii. The Developer shall breach any material covenant or default in the performance of any material obligation hereunder.

- c. If the City is in Default, the Developer's sole and exclusive remedies shall be to: (1) seek a writ of mandamus to compel performance by the City; or (2) seek specific enforcement of this Reimbursement Agreement.
