At or on the adjournment of the hearing conducted pursuant to Section 372.016 on the proposed assessments, the City Council must hear and pass on any objection to a proposed assessment. The City Council may amend a proposed assessment on any parcel in the District. The failure of a property owner to receive notice does not invalidate the proceeding.

The City Council hereby directs the City Secretary to cause the publication and mailing of notice of the Public Hearing substantially in the form attached as **EXHIBIT A**. Such publication shall occur at least eleven (11) days before the date of the Public Hearings.

On April 5, 2021, the City Council passed and approved Resolution No. 15-2021 authorizing the establishment of the District in accordance with the PID Act, which authorization was effective upon approval in accordance with the PID Act. The purpose of the District is to finance the Actual Costs of Authorized Improvements that confer a special benefit on approximately 1,424.398 acres located within the corporate limits of the City, as described by the legal description on **Exhibit V-1** and depicted on **Exhibit A-1.**

On July 7, 2023, the City Council approved the 2023 Service and Assessment Plan and levied the Assessments to finance certain Authorized Improvements to be constructed for the benefit of the Assessed Property within the District by approving the 2023 Assessment Ordinance. The 2023 Service and Assessment Plan identified certain Authorized Improvements to be provided by the District, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the District for the costs of the Authorized Improvements. The City also adopted an Assessment Roll for Improvement Area A-1.1, Improvement Area A-1.2, Improvement Area A-1.3, Improvement Area C-1, Improvement Area C-2, and Improvement Area C-3 identifying the Assessment on each Parcel of Assessed Property within each improvement area, based on the method of assessment identified in the 2023 Service and Assessment Plan.

On August 19, 2024, the City Council approved the 2024 Annual Service Plan Update for the District by approving Ordinance No. 5129, which updated the Assessment Rolls for 2024.

On October 7, 2024, the City Council approved the 2024 A&R Service and Assessment Plan by approving Ordinance No. 5142. The 2024 A&R Service and Assessment Plan replaced the 2023 Service and Assessment Plan in its entirety, including any previously approved Annual Service Plan Updates by the City Council, for the purposes of: (1) reflecting the issuance of the Improvement Area C-3 Bonds and (2) updating the Assessment Rolls for 2024.

This 2025 A&R Service and Assessment Plan serves to replace the 2024 A&R Service and Assessment Plan in its entirety, including any previously approved Annual Service Plan Updates by the City Council, for the purposes of (1) updating the Assessment Rolls for 2025; (2) identifying

SECTION V: ASSESSMENT PLAN

The PID Act allows the City Council to apportion the costs of the Authorized Improvements to the Assessed Property and the Apportioned Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City Council, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City Council that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the City Council may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the City and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this 2025 A&R Service and Assessment Plan describes the special benefit received by each Parcel within the District as a result of the Authorized Improvements and provides the basis and justification for the determination that this special benefit apportioned to the Assessed Property equals or exceeds the amount of the Assessments levied on the Assessed Property for such Authorized Improvements.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developers, and all future owners and developers of the Assessed Property.

A. Assessment Methodology

Acting in its legislative capacity and based on information provided by the Developers and their engineers and reviewed by the City staff and by third-party consultants retained by the City, the City Council has determined that the costs of the Authorized Improvements shall be allocated or apportioned as follows:

- At the time the City Council approved the 2023 Service and Assessment Plan, the costs of the Major Improvements were allocated or apportioned to Improvement Zone A,

Improvement Zone B, and Improvement Zone C pro rata based on Estimated Buildout Value.

- The costs of the Major Improvements allocated to Improvement Zone A were allocated to Improvement Area A-1.1, Improvement Area A-1.2, Improvement Area A-1.3, Improvement Area A-2, Improvement Area A-3.1, Improvement Area A-3.2, Improvement Area A-4, Improvement Area A-5, and apportioned to Improvement Zone A Remainder Area by the approval of the applicable Assessment Ordinance by the City Council based upon a proportionate share of the Estimated Buildout Value of each Parcel of Assessed Property or Apportioned Property, as shown on **Exhibit B-7**. The allocation of the Major Improvement costs to Improvement Zone A are shown on **Exhibit B-1**, **Exhibit B-2**, **Exhibit B-3**, **Exhibit B-6**, and **Exhibit B-7**. Cost overruns and/or decreases in Estimated Buildout Value for future improvement areas will result in an increase of Developer contribution, as described in **Exhibit B-7**.

- The costs of the Improvement Zone A Improvements were allocated to Improvement Area A-1.1, Improvement Area A-1.2, Improvement Area A-1.3, Improvement Area A-2, Improvement Area A-3.1, Improvement Area A-3.2, Improvement Area A-4, Improvement Area A-5, and apportioned to Improvement Zone A Remainder Area by the approval of the applicable Assessment Ordinance by the City Council based upon a proportionate share of the Estimated Buildout Value of each Parcel of Assessed Property or Apportioned Property, as further shown on **Exhibit B-7**. The allocation and apportionment of the Improvement Zone A Improvement costs are shown on **Exhibit B-1**, **Exhibit B-2**, **Exhibit B-3**, **Exhibit B-6**, and **Exhibit B-7**. Cost overruns and/or decreases in Estimated Buildout Value for future improvement areas will result in an increase of Developer contribution, as described in **Exhibit B-7**.

- At the time the City Council approved the 2023 Service and Assessment Plan, the costs of the Improvement Area A-1 Improvements were allocated to each Parcel of Assessed Property within Improvement Area A-1.1, Improvement Area A-1.2, and Improvement Area A-1.3. Upon the filing of the plat for the property within Improvement Area A-5, as further described in **Section IX**, it was determined that the Improvement Area A-5 property was located outside the boundaries of Improvement Area A-1, however, Improvement Area A-5 benefited from the Improvement Area A-1 Improvements. As a result, a reconciliation of unlevied costs allocable to these Parcels of Assessed Property was conducted, as shown on **Exhibit B-8**. The special benefit to Improvement Area A-5 was appropriately allocated, thereby reducing the Developer's contribution for Improvement Area A-1.1, Improvement Area A-1.2, and Improvement Area A-1.3, since those areas did not receive the same benefit. The Developer's contribution for Improvement Area A-1.1, Improvement Area A-1.2, Improvement Area A-1.3, and

Improvement Area A-5 after the reconciliation is shown on **Exhibit D-1** and **Exhibit D-3**.

- By the adoption of the 2025 Assessment Ordinance (A-2, A-3.1, A-3.2, A-4), the costs of the Improvement Area A-2 Authorized Improvements were allocated to each Parcel within Improvement Area A-2 based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area A-2 Assessed Property to the Estimated Buildout Value of all Improvement Area A-2 Assessed Property. The Improvement Area A-2 Initial Parcel was the only Parcel within Improvement Area A-2, and as such, the Improvement Area A-2 Initial Parcel was allocated 100% of the Improvement Area A-2 Authorized Improvements.

- By the adoption of the 2025 Assessment Ordinance (A-2, A-3.1, A-3.2, A-4), the costs of the Improvement Area A-3.1 Authorized Improvements were allocated to each Parcel within Improvement Area A-3.1 based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area A-3.1 Assessed Property to the Estimated Buildout Value of all Improvement Area A-3.1 Assessed Property. The Improvement Area A-3.1 Initial Parcel was the only Parcel within Improvement Area A-3.1, and as such, the Improvement Area A-3.1 Initial Parcel was allocated 100% of the Improvement Area A-3.1 Authorized Improvements.

- By the adoption of the 2025 Assessment Ordinance (A-2, A-3.1, A-3.2, A-4), the costs of the Improvement Area A-3.2 Authorized Improvements were allocated to each Parcel within Improvement Area A-3.2 based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area A-3.2 Assessed Property to the Estimated Buildout Value of all Improvement Area A-3.2 Assessed Property. The Improvement Area A-3.2 Initial Parcel was the only Parcel within Improvement Area A-3.2, and as such, the Improvement Area A-3.2 Initial Parcel was allocated 100% of the Improvement Area A-3.2 Authorized Improvements.

- By the adoption of the 2025 Assessment Ordinance (A-2, A-3.1, A-3.2, A-4), the costs of the Improvement Area A-4 Authorized Improvements were allocated to each Parcel within Improvement Area A-4 based on the ratio of the Estimated Buildout Value of each Parcel designated as Improvement Area A-4 Assessed Property to the Estimated Buildout Value of all Improvement Area A-4 Assessed Property. The Improvement Area A-4 Initial Parcel was the only Parcel within Improvement Area A-4, and as such, the Improvement Area A-4 Initial Parcel was allocated 100% of the Improvement Area A-4 Authorized Improvements.

- The costs of the Major Improvements allocated to Improvement Zone C were allocated to Improvement Area C-1, Improvement Area C-2, and Improvement Area C-3, Improvement Area C-4 and apportioned to Improvement Zone C Remainder Area by the

approval of the applicable Assessment Ordinance by the City Council based upon a proportionate share of the Estimated Buildout Value of each Parcel of Assessed Property or Apportioned Property, as shown on **Exhibit B-7**. The allocation of the Major Improvement costs to Improvement Zone C are shown on **Exhibit B-5**, **Exhibit B-6**, and **Exhibit B-7**. Cost overruns and/or decreases in Estimated Buildout Value for future improvement areas will result in an increase of Developer contribution, as described in **Exhibit B-7**.

- The costs of the Improvement Zone C Improvements were allocated to Improvement Area C-1, Improvement Area C-2, Improvement Area C-3, Improvement Area C-4 and apportioned to Improvement Zone C Remainder Area by the approval of the applicable Assessment Ordinance by the City Council based upon a proportionate share of the Estimated Buildout Value of each Parcel of Assessed Property or Apportioned Property, as shown on **Exhibit B-7**. Cost overruns and/or decreases in Estimated Buildout Value for future improvement areas will result in an increase of Developer contribution, as described in **Exhibit B-7**.

- By the adoption of the 2023 Assessment Ordinance, the costs of the Major Improvements apportioned to Improvement Zone B were apportioned to the Improvement Zone B

Apportioned Property. The Apportionment of Costs of the Major Improvement to Improvement Zone B are shown on **Exhibit B-4**, **Exhibit B-6**, and **Exhibit B-7**. Cost overruns and/or decreases in Estimated Buildout Value for future improvement areas will result in an increase of Developer contribution, as described in **Exhibit B-7**.

The City Council, in accordance with the TIRZ No. 15 Agreement, has agreed to use a portion of TIRZ No. 15 Revenues generated from each Parcel of Assessed Property, on a parcel-by-parcel basis, to offset a portion of the principal and interest of such Assessed Property's Improvement Area A-1.1 Assessment, Improvement Area A-1.2 Assessment, Improvement Area A-1.3 Assessment, Improvement Area A-2 Assessment, Improvement Area A-3.1 Assessment, Improvement Area A-4 Assessment, Improvement Area C-1 Assessment, Improvement Area C-2 Assessment, Improvement Area C-3 Assessment, or Improvement Area C-4 Assessment, as applicable.

1. The principal and interest portion of the Improvement Area A-1.1 Annual Installment, the Improvement Area A-1.2 Annual Installment, the Improvement Area A-1.3 Annual Installment, the Improvement Area A-2 Annual Installment, the Improvement Area A-3.1 Annual Installment, the Improvement Area A-4 Annual Installment, the Improvement Area C-1 Annual Installment, the Improvement Area C-2 Annual Installment, the Improvement Area C-3 Annual Installment, or the Improvement Area C-4 Annual Installment for an Assessed Property shall be reduced by a TIRZ No. 15 Annual Credit Amount on a parcel-by-parcel basis equal to the TIRZ No. 15 Revenue generated by the Assessed Property for the previous Tax Year (e.g. TIRZ No. 15 Revenue collected from the Assessed Property for Tax Year 2024 shall be applied as the TIRZ No. 15 Annual Credit Amount applicable to the Assessed Property's Improvement Area A-1.1 Annual Installment, Improvement Area A-1.2 Annual Installment, Improvement Area A-1.3 Annual Installment, Improvement Area A-2 Annual Installment, Improvement Area A-3.1 Annual Installment, Improvement Area A-4 Annual Installment, Improvement Area C-1 Annual Installment, Improvement Area C-2 Annual Installment, Improvement Area C-3 Annual Installment, or Improvement Area C-4 Annual Installment to be collected in Tax Year 2025), but in no event shall the TIRZ No. 15 Annual Credit Amount exceed the TIRZ No. 15 Maximum Annual Credit Amount described in **Section V.G.2** as shown on **Exhibit**

F for each applicable Lot Type of Assessed Property.

2. The TIRZ No. 15 Maximum Annual Credit Amount available to reduce the principal and interest portion of the Improvement Area A-1.1 Annual Installment, the Improvement Area A-1.2 Annual Installment, the Improvement Area A-1.3 Annual Installment, the Improvement Area A-2 Annual Installment, the Improvement Area A-3.1 Annual Installment, the Improvement Area A-4 Annual Installment, the Improvement Area C-1 Annual Installment, the Improvement Area C-2 Annual Installment, the Improvement Area C-3 Annual Installment, or the Improvement Area C-4 Annual Installment for an Assessed Property is calculated for each Lot Type, as shown on **Exhibit F**. The TIRZ No. 15 Maximum Annual Credit Amount is calculated so that the average Improvement Area A-1.1 Annual Installment, Improvement Area A-1.2 Annual Installment, Improvement Area A-1.3 Annual Installment, Improvement Area C-1 Annual Installment, Improvement Area C-2 Annual Installment, or Improvement Area C-3 Annual Installment minus the TIRZ No. 15 Maximum Annual Credit Amount for each Lot Type does not produce an equivalent tax rate for such Lot Type which exceeds the competitive, composite equivalent ad valorem tax rate ($3.12 per $100 of assessed value) taking into consideration the applicable tax rates of all applicable overlapping taxing units and the equivalent tax rate of the Improvement Area A-1.1 Annual Installment, Improvement Area A-1.2 Annual Installment, Improvement Area A-1.3 Annual Installment, Improvement Area C-1 Annual Installment, Improvement Area C-2 Annual Installment, or Improvement Area C-3 Annual Installment based on the Estimated Buildout Values at the time the applicable Assessment Ordinance is approved. The TIRZ No. 15 Maximum Annual Credit Amount is calculated so that the average Improvement Area A-2 Annual Installment, Improvement Area A-3.1 Annual Installment, Improvement Area A-4 Annual Installment, or Improvement Area C-4 Annual Installment minus the TIRZ No. 15 Maximum Annual Credit Amount for each Lot Type does not produce an equivalent tax rate for such Lot Type which exceeds the competitive, composite equivalent ad valorem tax rate ($3.00 per $100 of assessed value) taking into consideration the applicable tax rates of all applicable overlapping taxing units and the equivalent tax rate of the Improvement Area A-2 Annual Installment, Improvement Area A-3.1 Annual Installment, Improvement Area A-4 Annual Installment, or Improvement Area C-4 Annual Installment based on the Estimated Buildout Values at the time the applicable Assessment Ordinance is approved. The resulting TIRZ No. 15 Maximum Annual Credit Amount for each Lot Type is shown on **Exhibit F**.

3. After the TIRZ No. 15 Annual Credit Amount is applied to provide a credit towards the principal and interest portion of the Improvement Area A-1.1 Annual Installment, Improvement Area A-1.2 Annual Installment, Improvement Area A-1.3 Annual

Installment, Improvement Area A-2 Annual Installment, Improvement Area A-3.1 Annual Installment, Improvement Area A-4 Annual Installment, Improvement Area C-1 Annual Installment, Improvement Area C-2 Annual Installment, Improvement Area C-3 Annual Installment, or Improvement Area C-4 Annual Installment for the Assessed Property, any excess TIRZ No. 15 Revenues available from the TIRZ No. 15 Fund shall be held in a segregated account by the City and shall be used in accordance with the TIRZ No. 15 Project Plan, the TIRZ No. 15 Agreement, and the Master Development Agreement.

SECTION VI: TERMS OF THE ASSESSMENTS

Any reallocation of Assessments as described in this Section VI shall be considered an administrative action of the City and will not be subject to the notice or public hearing requirements under the PID Act.

A. Reallocation of Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of a subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$A = B \times (C \div D)$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property
B = the Assessment for the Assessed Property prior to division
C = the Estimated Buildout Value of the newly divided Assessed Property
D = the sum of the Estimated Buildout Value for all of the newly divided Assessed Properties

The calculation of the Assessment of an Assessed Property shall be performed by the Administrator and shall be based on the Estimated Buildout Value of that Assessed Property, as provided by the Developers, relying on information from homebuilders, market studies, appraisals, Official Public Records of the County, and any other relevant information regarding the Assessed Property. The Estimated Buildout Values for Lot Type 1, Lot Type 2, Lot Type 3, Lot Type 4, Lot Type 5, Lot Type 6, Lot Type 7, Lot Type 8, Lot Type 9, Lot Type 10, Lot Type 11, Lot Type 12, Lot Type 13, Lot Type 14, Lot Type 15 Lot Type 16, Lot Type 17, Lot Type 18, Lot Type 19, Lot Type 20, Lot Type 21, Lot Type 22, Lot Type 23, Lot Type 24, Lot Type 25, Lot Type 26, and Lot Type 27 are shown on **Exhibit E-1** and **Exhibit E-2**, respectively, and will not change in future Annual Service Plan Updates,

but **Exhibit E-1** and **Exhibit E-2** may be updated in future Annual Service Plan Updates to account for additional Lot Types. The calculation as confirmed by the City Council shall be conclusive and binding.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$A = [B \times (C \div D)]/E$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot
B = the Assessment for the Parcel prior to subdivision
C = the sum of the Estimated Buildout Value of all newly subdivided Lots with the same Lot Type
D = the sum of the Estimated Buildout Value for all of the newly subdivided Lots excluding Non-Benefited Property
E= the number of newly subdivided Lots with the same Lot Type

Prior to the recording of a subdivision plat, the Developers shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat. The calculation of the Assessment for a Lot shall be performed by the Administrator and confirmed by the City Council based on Estimated Buildout Value information which has been provided as of the approval of the 2023 Service and Assessment Plan, by the Developers, homebuilders, third party consultants, and/or the Official Public Records of the County regarding the Lot. The Estimated Buildout Values for Lot Type 1, Lot Type 2, Lot Type 3, Lot Type 4, Lot Type 5, Lot Type 6, Lot Type 7, Lot Type 8, Lot Type 9, Lot Type 10, Lot Type 11, Lot Type 12, Lot Type 13, Lot Type 14, Lot Type 15, Lot Type 16, Lot Type 17, Lot Type 18, Lot Type 19, Lot Type 20, Lot Type 21, Lot Type 22, Lot Type 23, Lot Type 24, Lot Type 25, Lot Type 26, and Lot Type 27 are shown on **Exhibit E-1** and **Exhibit E-2**, respectively, and will not change in future Annual Service

Plan Updates. The calculation as confirmed by the City Council shall be conclusive and binding. The Estimated Buildout Value for all of Improvement Zone A and Improvement Zone C will remain consistent as shown on **Exhibit E-1** and **Exhibit E-2**, respectively, unless provided with an updated appraisal by an independent third-party.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated into a single Lot or Parcel, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update immediately following such consolidation. The Assessment for any resulting Lot may not exceed the Maximum Assessment for the applicable Lot Type and compliance may require a mandatory Prepayment of Assessments pursuant to **Section VI.C**.

B. Mandatory Prepayment of Assessments

If an Assessed Property or a portion thereof is conveyed to a party that is exempt from payment of the Assessment under applicable law, or the owner causes a Lot, Parcel or portion thereof to become Non-Benefited Property, the owner of such Lot, Parcel or portion thereof shall pay to the City, or cause to be paid to the City, the full amount of the Assessment, plus all Prepayment Costs and Delinquent Collection Costs for such Assessed Property, prior to any such conveyance or act, and no such conveyance shall be effective until the City receives such payment. Following payment of the foregoing costs in full, the City shall provide the owner with a recordable "Notice of Assessment Termination," a form of which is attached hereto as **Exhibit T**.

C. True-Up of Assessments if Maximum Assessment Exceeded at Plat

Prior to the City approving a final subdivision plat, the Administrator will certify that such plat will not result in the Assessment per Lot for any Lot Type to exceed the Maximum Assessment. If the Administrator determines that the resulting Assessment per Lot for any Lot Type will exceed the Maximum Assessment for that Lot Type, then (1) the Assessment applicable to each Lot Type shall each be reduced to the Maximum Assessment, and (2) the person or entity filing the plat shall pay to the City, or cause to be paid to the City, the amount the Assessment was reduced,

plus Prepayment Costs and Delinquent Collection Costs, if any, prior to the City approving the final plat. The City's approval of a plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such amounts. At no time shall the aggregate Assessments for any Lot exceed the Maximum Assessment.

D. Reduction of Assessments

If the Actual Costs of completed Authorized Improvements are less than the Assessments, then (i) in the event PID Bonds have not been issued for the purpose of financing Authorized Improvements affected by such reduction in Actual Costs, the City Council shall reduce each Assessment on a pro rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equals the reduced Actual Costs that were expended, or (ii) in the event that PID Bonds have been issued for the purpose of financing Authorized Improvements affected by such reduction in Actual Costs, the Trustee shall apply amounts on deposit in the applicable account of the project fund created under the Indenture relating to such series of PID Bonds as directed by the City pursuant to the terms of such Indenture, and the TIRZ No. 15 Annual Credit Amount will be reduced in the same proportion as the Assessments. Such excess PID Bond proceeds may be used for any purpose authorized by such Indenture. The Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The owner of any Assessed Property may, at any time, pay all or any part of an Assessment in accordance with the PID Act. Prepayment Costs, if any, may be paid from a reserve established under the applicable Indenture. If an Annual Installment has been billed, or the Annual Service Plan Update has been approved by the City Council prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment on an Assessed Property is prepaid in full, with Prepayment Costs, (1) the Administrator shall cause the Assessment to be reduced to zero on said Assessed Property and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit such revised Assessment Roll to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate with respect to said Assessed Property; and (4) the City shall provide the owner with a recordable "Notice of Assessment Termination."

If an Assessment on an Assessed Property is prepaid in part with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced on said Assessed Property and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit such revised Assessment Roll to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment will be reduced to the extent of the Prepayment made.

For purposes of Prepayments, the Improvement Area A-2, A-3.1, A-3.2, A-4 Reimbursement Obligation is and will remain subordinated to (i) the Improvement Area A-2, A-3.1, A-3.2, A-4 Bonds, if and when issued, and (ii) any additional PID Bonds secured by a parity lien on the Improvement Area A-2 Assessments, Improvement Area A-3.1 Assessments, Improvement Area A-3.2 Assessments, and Improvement Area A-4 Assessments issued to refinance all or a portion of the Improvement Area A-2, A-3.1, A-3.2, A-4 Reimbursement Obligation.

For purposes of Prepayments, the Improvement Area C-4 Reimbursement Obligation is and will remain subordinated to (i) the Improvement Area C-4 Bonds, if and when issued, and (ii) any additional PID Bonds secured by a parity lien on the Improvement Area C-4 Assessments issued to refinance all or a portion of the Improvement Area C-4 Reimbursement Obligation.

F. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit G-2** shows the estimated Improvement Area A-1.1 Annual Installments, **Exhibit H-2** shows the estimated Improvement Area A-1.2 Annual Installments, **Exhibit I-2** shows the estimated Improvement Area A-1.3 Annual Installments, , **Exhibit J-2** shows the estimated Improvement Area A-2 Annual Installments, , **Exhibit K-2** shows the estimated Improvement Area A-3.1 Annual Installments, , **Exhibit L-2** shows the estimated Improvement Area A-3.2 Annual Installments, , **Exhibit M-2** shows the estimated Improvement Area A-4 Annual Installments, , **Exhibit N-2** shows the estimated Improvement Area A-5 Annual Installments, **Exhibit O-2** shows the estimated Improvement Area C-1 Annual Installments, **Exhibit P-2** shows the estimated Improvement Area C-2 Annual Installments, **Exhibit Q-2** shows the estimated Improvement Area C-3 Annual Installments, and **Exhibit R-2** shows the estimated Improvement Area C-4 Annual Installments,. Annual Installments are subject to adjustment in each Annual Service Plan Update. Prior to the recording of a final subdivision plat, if any Parcel shown on the Assessment Roll is assigned multiple tax parcel identification numbers for billing and collection purposes, the Annual Installment shall be allocated pro rata based on the acreage of the Parcel not including any Non-Benefited Property or Non-Assessed Property, as shown by the Dallas Central Appraisal District for each tax parcel identification number.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each

Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. The Annual Collection Costs for a given Assessment shall be paid by the owner of each Parcel pro rata based on the ratio of the amount of outstanding Assessment remaining on the Parcel to the total outstanding Assessment. Annual Installments may be reduced by any credits applied under an applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes due and owing to the City. To the extent permitted by the PID Act or other applicable law, the City Council may provide for other means of collecting Annual Installments, but in no case shall the City take any action, or fail to take any action, that would cause it to be in default under any Indenture. Assessments shall have the lien priority specified in the PID Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay any of the remaining unpaid Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with applicable law, including the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments of the Improvement Area A-1.1 Assessments, Improvement Area A-1.2 Assessments, Improvement Area A-1.3 Assessments, Improvement Area C-1 Assessments, Improvement Area C-2 Assessments, and Improvement Area C-3 Assessments were due when billed and were delinquent if not paid prior to February 1, 2024. The initial Annual Installments of the Improvement Area A-2 Assessments, Improvement Area A-3.1 Assessments, Improvement Area A-3.2 Assessments, Improvement Area A-4 Assessments, Improvement Area A-5 Assessments, and Improvement Area C-4 Assessments shall be due when billed and shall be delinquent if not paid prior to February 1, 2026.

Failure of an owner of an Assessed Property to receive an invoice for an Annual Installment shall not relieve said owner of the responsibility for payment of the Assessment. Assessments, or Annual Installments thereof, that are delinquent shall incur Delinquent Collection Costs.

G. Allocating Annual Installments

Any amounts collected from the Improvement Area A-2 Annual Installments, Improvement Area A-3.1 Annual Installments, Improvement Area A-3.2 Annual Installments, Improvement Area A-4 Annual Installments, and Improvement Area C-4 Annual Installments paid by the owner of Assessed Property shall be paid to amounts due for the applicable PID Bonds, if and when issued, secured by each applicable Assessment, including any amounts due for Additional Interest and Annual Collection Costs. Any amounts collected from the Improvement Area A-5 Annual Installments paid by the owner of Assessed Property shall be paid to amounts due for the Improvement Area A-5 Reimbursement Obligation including any amounts due for Annual Collection Costs.

H. Prepayment as a Result of an Eminent Domain Proceeding or Taking

Subject to applicable law, if any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a "**Taking**"), the portion of the Assessed Property that was taken or transferred (the "**Taken Property**") shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property) (the "**Remaining Property**"), following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner of the Remaining Property will remain liable to pay, pursuant to the terms of the 2023 Service and Assessment Plan, as updated, and the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if the Assessment that remains due on the Remaining Property exceeds the applicable Maximum Assessment, the owner of the Remaining Property will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed such Maximum Assessment, in which case the Assessment applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of Prepayment, with any remainder credited against the Assessment on the Remaining Property.

In all instances the Assessment remaining on the Remaining Property shall not exceed the applicable Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a $100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres constituting the Remaining Property shall be subject to the $100 Assessment (provided that this $100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the $100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment, as applicable, on the Remaining Property by $10, then the owner shall be required to pay $10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to $90.

Notwithstanding the previous paragraphs in this subsection, if the owner of the Remaining Property notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the applicable Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. The owner will remain liable to pay the Assessment on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection, the Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds.

If the owner of a Parcel claims that an error has been made in any calculation required by this 2025 A&R Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner's sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council's approval of the calculation. Otherwise, the owner shall be deemed to have unconditionally approved and accepted the calculation. The Administrator shall provide a written response to the City Council and the owner not later than 30 days after receipt of such written notice of error by the Administrator. The City Council shall consider the owner's notice of error and the Administrator's response at a public meeting, and, not later than 30 days after closing such meeting, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council shall take such corrective action as is authorized by the PID Act, this 2025 A&R Service and Assessment Plan, the applicable Assessment Ordinance, the applicable Indenture, or as otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this 2025 A&R Service and Assessment Plan must be made by the City Council in accordance with the PID Act.
