	Clay Mathis Park-Construction project per specification								
1.	Improvements consist of on-site related construction items to support a pre-fabricated restroom building and a turnkey SprayPad feature, being provided by third parties under separate contracts with the City. General Contractor shall be responsible for sequencing and coordinating work items with these two improvements. On-site work shall include but may not be limited to grading, preparation of building pad, foundation for restroom building, establishing and connecting electrical service, extending and connecting water service, drainage, and pedestrian paving.	1	LS	110,615.00	110,615.00	221,333.00	221,333.00	221,490.86	221,490.86
